I have Good News and Not-So-Good News: In the Not-So-Good News category I am sad to announce this year’s Kol Ami Trip to Israel will not occur. Unfortunately, we were unable to meet our necessary quota of participants. However, in the Good News category, my tour educator/guide for the past three years – Shari Robins – will be leading an exciting Shabbaton weekend at Kol Ami on Friday & Saturday, January 25 and 26, 2019.

Shari grew up in Cleveland, Ohio and visited Israel for the first time at age 17. It was then that she declared to her family she would one day live in Israel! The dream came true for Shari in 1984. With degrees in Jewish history and education from Ohio State University, she began a career as an Israeli tour guide, and today is among the most in-demand guides in Israel.

On Friday evening, January 25, as part of our Kabbalat Shabbat service (6:30 p.m.), Shari will speak on Israel Today: Changes I Have Experienced in Israeli Society Over the Past Several Decades. On Shabbat morning, Shari will present The 11th Commandment, Thou Shalt Walk the Streets of Jerusalem, and Saturday afternoon at 4:30 pm she will...

make a presentation on Poetry and Songs of Israel’s Early Years and How They Reflect Israel-Diaspora Relations, followed by Havdalah.

Mark these dates on your calendar. This is a wonderful opportunity to learn about Israel Today from someone who devotes her days to Israel! And just maybe it will be Next Year In Jerusalem for you, as well!

Please keep us informed of significant events in your family life. It is our desire to be of help and service to you in times of special need. It is especially important that we know of those in the hospital, and assisted living or nursing homes, so that we can visit and they may be included in a prayer for recovery at Shabbat Services.

What an exciting December Congregation Kol Ami had! We celebrated Chanukah together, including meeting our first Rabbi candidate of this hiring season. We raised our glasses for a successful “L’Chaim to the Future” fundraising gala. The energy at Kol Ami is blazing! We must harness this energy and ride the wave into 2019!

As we turn the secular calendar to a new year, it is customary to make resolutions. At Kol Ami, we have many resolutions underway that, in order for us to succeed in achieving them, we will need our collective family to resolve to participate.

Our strategic planning committee is currently undertaking the enormous task of re-envisioning what Kol Ami will look like for the next generation. This task has been named “Recharge Kol Ami!” In the coming days and weeks, you will be hearing more about this effort as we work with Rabbi Hayim Herring, our 2018 Scholar In Residence, to expand our vision – Where Judaism and Joy are One – to enhance our mission statement and develop a series of goals that we will work on with our new Rabbi, once identified, hired and on-board, and the entire Congregation to bring to life. To this end, we will be hosting a “Community Context Event” to gain a better understanding of what our Congregation seeks from our Kehillah Kedoshah – our holy congregation, as well as how we can more broadly attract, welcome and serve unaffiliated members of the Tampa Jewish community.

Our Future Rabbi Search Committee continues to be hard at work vetting rabbinical candidates, inviting appropriate candidates to visit Tampa and get a deeper understanding of Congregation Kol Ami. As you are already aware, we have already met one candidate. Our second candidate will be visiting the weekend of January 11, 2019. We look forward to everyone’s attendance and participation in this event so that the Search Committee can make a well-informed recommendation to our Board of Trustees on our next Rabbi. As the committee continues its work, we may even have a third candidate to meet!

Our By-Laws Revision Committee is hard at work modernizing our By-Laws to more appropriately and efficiently address the needs of our Congregation. The Board of Trustees will be approving these revisions at both the January and February Board Meetings. If their recommendations pass these hurdles, the recommendations will be presented at our Annual Congregational Meeting in late February for adoption.

Thank you to the members of these critical committees for their hard work and efforts to address these existential topics that will have long-lasting impact on Congregation Kol Ami.

It will take resolve from each and every congregant to do their part to bring these efforts to reality and, more importantly, make them sustainable into the future. I look forward to working with our congregational family to achieve these successes!

The Future Is Here, We are It!

Ben Herman is currently the Senior Rabbi at Jericho Jewish Center. He received a BA in History, Hebrew and Jewish Studies from the University of Wisconsin-Madison and Rabbinic Ordination with an MA in Jewish Education from the Jewish Theological Seminary. He previously served as Assistant Rabbi and Education Director at Congregation Anshei Israel in Tucson, Arizona. Rabbi Herman and his wife Karina are parents to 2½ year old daughter Ariela, and they recently welcomed Leora Rose, born last month.

Rabbi Herman would like us to know that he became a rabbi out of his interest in people, his passion for Jewish life and his desire to help Judaism blossom, flourish and grow within a community. His vision is premised on Every Member Counts. His goal is to build upon the successes of a congregation, to ensure that it is a vibrant place where everyone is welcome and appreciated for who s/he is and what s/he brings to their congregational family. He is excited to get to know first-hand everything that makes Kol Ami the vibrant, warm and welcoming place that it is.
There’s a new program at Kol Ami and you’re already included! In February 2018, Congregation Kol Ami launched a program that is already bearing rich fruit. The “Guess Who’s Coming to Shabbas” program that was originally begun in a Pennsylvania synagogue already has connected nearly two dozen families in our Kol Ami family.

Begun in 2012 by Debbie Albert, a member of Temple Sinai in Dresher, Pa., the goal of the Shabbat initiative is to bring congregants together, using Friday night dinners as the initial meeting point. In a 2013 article written for the Conservative movement’s biannual magazine, CJ: Voices of Conservative Judaism, Ms. Albert called the program a living memorial to her father, Bernie Albert, and said it was designed to “engage the unengaged, be interactive, and help strengthen our congregation.”

The intention of the program is to help our members get to know each other and to create meaningful memories. There is an essential sense of caring and relationships that is part of being a member of a synagogue. The goal of the program is to build and foster relationships. They can be formed and strengthened around the Shabbat table.

We encourage our congregational families to step out of their comfort zones, inviting guests — whether one or two families — they do not know, or do not know very well.

The program is coordinated by congregants Jennifer Zimmer and Jody Rappaport. This is not just for people who are observant. This is about having one Friday night Shabbat dinner. The synagogue provides brochures containing the Shabbat brachot and a challah to each of the host families.

There are no rules for participation. A kosher home is not required, but serving a pareve or dairy meal is encouraged, or a meal fit for the guests’ needs (i.e. vegetarian, vegan, gluten-free). Break out the fine china if you like, or serve pizza on paper plates. Host on your own, or team up with another family. It’s not about the food, but about sharing a meal. And while hosts are free to invite guests of their own choosing, the synagogue can help match families that are similar in age or in the number and ages of their children.

There is no expectation that the invitations will be reciprocal. We hope that guests will offer to serve as hosts in the future; however, that is not a condition of participation. Nor should congregants worry that this is a veiled attempt to make them more observant. This is not about changing your life; it is about creating community. It is targeted to all members of the congregation, regardless of age, marital status, or other similar considerations. The hope is to grow the program exponentially, leading to 100% inclusion of our members.

So please don’t be shy. Let us know if you can host! We want more of us to get to know one another outside the walls of the synagogue. Our next date is January 25, 2019.

Email Jody Rappaport or Jennifer Zimmer at guesswhokolami@gmail.com for more information.
House Highlights

1. We have installed a doorbell at the Chapel and School entrance in order to gain access. The Chapel doorbell and entrance is only for nighttime. The school bell is for school hours. As a reminder, these entrances are kept locked 24/7.

2. We received approval from Homeland Security to go forward with our installation plan to add 11 cameras. This is in addition to the 21 cameras that we already have on our property. The installation will occur in the very near future.

3. The LED sign for our school now has a permanent structure and direct electricity. Please see the picture below.

4. We will continue to work with Homeland Security on the remaining projects to be completed. More to come in our February edition of Chai Lites.

The Sisterhood Needlework Group meets every Tuesday at 1:30 p.m. at Kol Ami and on occasional Sunday mornings. (See Project Linus scheduled on Sunday, January 27.) It is open to everyone and provides crafters an opportunity to socialize, exchange information, and learn new techniques.

One of the current charity projects the group participates in is Warming the World, a local nonprofit organization that provides hats to newborns around the world. Hats can be knitted, crocheted, sewn or tied fleece and must be washable and made of new materials. For more information about blanket size, etc., visit ProjectLinus.org.

On Sunday, January 27th, we will meet at Kol Ami at 10:30 a.m. to make tied fleece blankets. This program is open to everyone and no special skills are needed. If you are not able to join us on the 27th, you can still donate new fleece or handmade children’s blankets to Kol Ami.

The Sisterhood Needlework Group meets every Tuesday at 1:30 p.m. at Kol Ami and on occasional Sunday mornings. (See Project Linus scheduled on Sunday, January 27.) It is open to everyone and provides crafters an opportunity to socialize, exchange information, and learn new techniques.

One of the current charity projects the group participates in is Warming the World, a local nonprofit organization that provides hats to newborns around the world. Hats can be knitted or crocheted; however, many of our group prefer to use a circular loom. Last year, the organization sent hats to six states (IL, TN, MS, AL, FL and MN), Puerto Rico, Ecuador, Brazil, Iceland, Guam, Burundi, Somaliland, the American Heart Association, several organizations that help mothers worldwide, and one organization the helps babies locally.

Please join us for our next Howard Kanter Kiddush Fund Luncheon on Saturday, January 12, 2019. This complimentary luncheon is catered by Edibles by Ethel and is also open to non-members in the greater Jewish Community.

Although members are not required to RSVP to attend, we do ask that any non-members who plan to attend contact the Kol Ami office at (813) 962-6338 to make reservations so we can prepare appropriately.

The Kiddush Fund, created by Kol Ami member Howard Kanter (z”l), provides one Kiddush Luncheon per month on a Shabbat that does not have a Kiddush Luncheon sponsored by members or another committee of the synagogue.

Your extra donations (in addition to your usual contributions to Kol Ami) help insure this effort for years to come. Donors are recognized in the Weekly Watch and Shabbat Shalom the week of the sponsored luncheon.

We hope to see you on Saturday, January 12. Also, please be sure to mingle and introduce yourself to someone you don’t know at these wonderful opportunities to make new friends and enjoy fellowship with your Kol Ami family.

Happy New Year! What a wonderful semester we have had here at Kol Yeladim. Our students have been very busy practicing for their class Shabbats, studying Hebrew, learning how to use our new video equipment, enjoying fun with their friends, and so much more!

We had a VERY Happy Hanukkah Party with our religious school friends; Donut making, sand art, scratch art, dreidel making and playing, but the highlight of our party was our class performances. They all did an amazing job! Our 6th & 7th graders had Shabbat school TWICE this month. Jacob Chernin, Orlando Dixon, and William Kasenetz all helped lead services this month in preparation for their Bar Mitzvahs, along with David Caine who became a Bar Mitzvah last month. We couldn’t be more proud of our students!

January is a busy month! Students will return from Winter Break on Wednesday, January 9, 2019. We will have report cards ready to go home by January 19, 2019. Please be sure to join us for a Shabbat school to support our wonderful students; it is so amazing to watch our youth lead services and have meaningful participation in our congregation.

Orlando Dixon is already making plans for an ambitious future, his greatest achievement so far has been to earn a scholarship. Orlando is a 7th grader at Kol Yeladim Religious School and is home-schooled in general studies, Hebrew language, history and culture, and Tagalog language and culture. Tagalog is the native language of the Philippines, where his mother's family is from. (The official languages of the Philippines are Tagalog and English.) Orlando is also active in the Boy Scouts, Karate, and music.

Orlando says that the three words that best describe him are fun, happy and energetic. The qualities he most values in a friend are to be “fun and willing to do stuff with me, and they don’t use me.” His idea of perfect happiness is having friends and being successful. In fact, Orlando is already successful. His greatest achievement so far has been to earn a scholarship. Orlando is already making plans for an ambitious future, possibly becoming a doctor. Orlando’s father is his inspiration, because he “tries to make me responsible.” Mazal tov to Orlando and his family!
On December 9th, USYers gathered to celebrate Hanukkah in a larger light than ever before. The party started as any typical Hanukkah party would, with board prepared latkes, donuts, and fellowship. But when the games came out, participants realized they were in for more than they bargained for; with life-size flip cups, Connect 4, and Extra-Large Twister. USYers then battled to collect gelt and avoid harm on a life-size Pac-man board. The party concluded with a life-size dreidel game, Dizzy Dreidel races, and by becoming a life-size Hanukkiah to light to say the blessings over. USYers had a lot of fun going BIG, and creating memories.

Boneem and Chaverim had a blast going bowling in December and they are looking forward to playing laser tag at QZar on January 27th!
Kadima had a ton of fun at their Festival of Lights Hanukkah celebration, playing dreidel and glow stick man hunt. They are very excited to join USYers in observance of Tu B’shvat in the tree tops of Tree Hoppers on January 20th!

USYers had a blast celebrating Hanukkah together, playing larger than life-sized games and participating in typical Hanukkah traditions with a twist. They are ramping up for their social action event at Metropolitan Ministries on January 13th and joining forces with Kadimanicks for an unforgettable Tu B’shvat on January 20th.

Kol Ami’s KAMEL Program
Sponsored by Ma’asim Tovim (Good Deeds) Committee, the Kol Ami Medical Equipment Loan (KAMEL) Program pairs up congregants who are willing to loan their currently unused medical equipment to other congregants who are in need of such equipment on either a short- or long-term basis.

If you have extra equipment (e.g., canes, walkers, wheelchairs, shower chairs, grab bars, etc.) you are willing to lend, or if you would like to borrow equipment, please contact Ma’asim Tovim Chair, Sue Dvorchik at susiedv1@gmail.com or contact the Kol Ami office at (813) 962-6338.

We will try to make the “shidduch” (match)!

Donate!
There are many ways to get involved in Congregation Kol Ami and making a donation is always a great way to support our Shul and the programs that we offer. You can now make your donations online using your credit card. To do so, go to: https://kolami.org/donate-payments
