Guest Speaker:
Larry Glazer

Larry Glazer, listed as one of Worth Magazine's "Top 250 Wealth Advisors". He is going to build from the basics to explore crypto currencies' future role in the international monetary system as well as the risks and rewards for including them in a portfolio. This new "mystery" investment has risen to a level of legitimacy such that leading financial professionals like Larry can address its place for lay investors. Gary Smith, master private investor and co-chair of the Financial Insights Affinity Group, will introduce Larry and will engage with him in the discussion period. Of course there will be opportunity for questions from attendees.

Larry Glazer, AAMS® is Co-Founder and Managing Partner of Mayflower Advisors, a Boston-based independent wealth management firm.. Larry's passion for investing began at age seven, when he first studied The Wall Street Journal After a life of family financial dinner-table conversations, he partnered with his father, Lloyd, to create Mayflower Advisors.

Previously, Larry was Senior Vice President at Advest. He helps individuals, companies and non-profit organizations navigate through a complex financial world to achieve their financial goals by providing independent, full-service financial consulting and comprehensive, customized wealth management solutions.

Larry regularly shares his knowledge on national news television shows such as CNBC, CNN, MSNBC and Fox Business; and his straight-talking insight is featured in publications such as The Wall Street Journal, USA Today, The New York Times and Bloomberg Business Week.

Larry serves as the volunteer Chairman of the Massachusetts Jump$tart Coalition for Personal Financial Literacy, a coalition of diverse financial education stakeholders that prepare the nation's youth for life-long financial success. He is a graduate of Duke University, and Brotherhood officer and trustee at Temple Emanuel in Newton, Massachusetts where he lives with his wife and their three children.

Please join us on Monday, May 24th at 8 PM ET.

You should consult your financial advisor before taking actions. The views expressed are for discussion purposes because everyone is different in their short and long term needs.

We are not giving investment advice, just a place to share insights. Our presentations will be from a lay person's perspective. You should consult your financial advisor before taking actions. The views expressed are for discussion purposes because everyone is different in their short and long term needs. The goal is to learn from each other and create great investing ideas. In future investing webinars on financial insights we will be reaching out to lay and professionals for their expertise. Your feedback for future

webinars is imperative.
