## 2020-2021

**Kol Ami has a number of very active committees that support the programs and mission of our congregation. Many of these committees need volunteers who can help in a variety of ways. This booklet contains a list of the committees, a brief description of their roles, the chairpersons, their contact information, and an explanation of the volunteers' jobs.**

**At the back of the booklet, please select any committees of interest and return the form to the office. Please keep this booklet as a reference tool for when you are available to help.**

**You can always find the booklet and list on Kol Ami's website under Committees in the Welcome section.**
