Musical Gems from Imperial Russia (\$48 members/\$60 non-members)
Wednesdays, September 9, 16, 23, 30 10:30 a.m. - noon

Russian classical music developed in a manner quite different than in the west. In fact, there was no indigenous Russian art music until the 19th century. However, once composers such as Glinka, Mussorgsky, Borodin and Tchaikovsky emerged and a conservatory or two were built, a fascinating national style was created. It is impossible to imagine the modern concert hall or CD collection without the extraordinary works of these amazing musicians. We can't promise caviar but there will be great music!

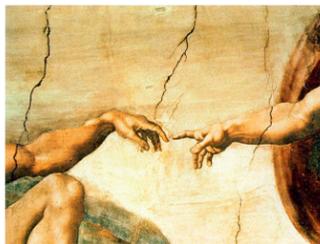

Facilitator: **Jonathan Palevsky**, B.M., M.M., is Program Director of WBJC FM, Classical Music Station. His undergraduate studies focused on Musicology and his graduate studies on classical guitar performance. He is a radio show host and a lecturer and also hosts Cinema Sundays at The Charles Theater.

All this and much more as SPICE in September spices it up!

Mondays, December 7, 14, 21 10:30 a.m. - noon

The first decade post World War One saw many changes in the ways Americans worked, lived, loved, thought, talked and consumed than any other time before. We got the flu, alcohol was prohibited, women got the right to vote and radios, tvs and cars became a normal part of our lives. There were eight new countries in the world and Fascism reared its head in Italy with Mussolini. The roaring twenties came to a crashing end in 1929 with the Great Depression. But hope was restored with the election of Franklin D. Roosevelt. Part One of this course will discuss all of these events and more that took place during the first part of one of the most important decades in our country's history—the Fantastic Interim.

Facilitator: **Rex Rehfeld** has a B.S. from the University of CA and a J.D. from the University of MD. He has lectured on a variety of historical topics in many Lifelong Learning programs throughout the Baltimore area. Rex served in the Navy in WW II and in the Army during the Korean War and beyond. After leaving the service, Rex served as an investment counselor until his retirement in 2014.
