A message from the **MA Coalition for the Homeless A Bed for Every Child Program**:

You asked what our greatest need is during this pandemic. Here's our answer. There are thousands of children who are poor and who are homeless who do not have a bed simply because their parents cannot afford one. We were delivering over 200 per month before the pandemic. **A Bed for Every Child** delivers the bed to the child's home along with bedding, books, and toys. The COVID-19 crisis has made a chronically hard situation far worse. **A Bed for Every Child** is now doing curbside deliveries to ensure the safety of the families and our staff so children can have a place to sleep.

We can keep up with the increased demand if we raise additional funds in the next few weeks.

Another way to give is through our Mother's Day Card Program.

This Mother's Day honor your mother or those special women in your life through the act of giving back. For a \$25 donation a beautiful Mother's Day card will be sent to your loved one.
