

TBK High Holy Days Appeal

As we look forward to the upcoming High Holy Days, and a shared period of renewal, reflection, and introspection; we ask that you consider the importance of Temple B'rith Kodesh in your life, and what you can do to ensure that it remains strong and vibrant.

At TBK, *Beyachad* (together) informs all that we do and aspire to be. As we move towards the conclusion of the celebration of our 175th anniversary, we eagerly look forward to the future, especially as we make plans for the building following the decision that we will remain at our current location on Elmwood Avenue.

The High Holy Days Appeal is an opportunity to sustain and support TBK by making a meaningful (to you) donation to its budget so that we can continue valuable programs and develop new ones.

Giving to TBK is not only an investment in our spiritual home; it is an act of tzedakah and a mitzvah. Your High Holy Days contribution supports and affirms TBK's commitment to crucial issues like inclusive worship, educating our children, welcoming the stranger, greening our shul, and more.

With *Give to Your Heart's Content* (our voluntary commitment model) and the introduction of Religious School being included with temple membership, our doors are indeed wide open to all who want to be part of the TBK family. Your gift to the High Holy Days Appeal helps to make that possible.

We are excited to now offer you the opportunity to designate how you would like your donation to be used. Please read more about that on the facing page.

Please fill out the contribution slip and return to TBK. For your convenience, your donation may also be made online at www.tbk.org/appeal

We thank you for your support!
