# TEMPLE B'RITH KODESH BEYACHAD

## To Connect

The generosity of our congregation is abundant. Many people are looking for ways to do for others and to reap the amazing benefits of volunteering with simple connections. People, especially now, could use a weekly check in, a Shabbat Challah on the doorstep and eventually, in person contact with TBK programming and Services.

## Vision & Purpose

Our vision is to match congregants with each other to mutually benefit from relationship building and programming. Anyone and everyone is encouraged to participate. From families with young children, teens, young professionals, recent retirees, empty nesters and those in assisted living and beyond.

## To Give Something Back

Activities may include:

- \*Weekly phone calls to check in and get to know each other.
- \*Attend Shabbat Services together via Zoom and eventually in person
- \*Share common interests, learn new hobbies and explore together
- \*Provide support and connection in times of need
