

Book of Memory

Every year at Yom Kippur, Temple Isaiah publishes a Book of Memory. The book has two parts. One part is for listing the names of loved ones who have died. The other section is in memory of those who died during the Holocaust, or "In Memory of Six Million." If you and your family would like to be included in either or both sections of the Book of Memory, please complete the forms below, being careful to designate the amount of donation you want to go to each section of the book, and *return to Ann Suskind, at the address below, by Friday, August 24, 2018*. Thank you.
