

***ECE CONTRACT UPDATE 2020 - 2021***

Our commitment to keeping the children and families we serve and our teachers and staff safe is always our number one priority. Following the novel coronavirus disease (COVID-19) outbreak, it's important that you know that Shalom School is focused on practices to reduce the risk of exposure for your child(ren) and our staff while in our programs. We are also closely monitoring guidelines from the Centers for Disease Control and Prevention (CDC), the American Academy of Pediatricians, Community Care Licensing, and our local Sacramento County Department of Public Health for all updated information. We will continue to update our practices and protocols as new information and guidelines become available.

Given the current guidelines available to us, we will be opening with modified hours. All full-day programs will run from 7:45 am to 3:30 pm and all half-day programs will run 8:00 am – 11:45 am. We will not be able to offer care after 3:30 pm in order to limit group sizes and the number of children and staff members in contact with one another. Please see the table below for hours and tuition.

**All children and staff will undergo a health screening each morning before being able to enter into the program. All children, parents, and staff members who are sick must follow all *Shalom School Reopening Plan Health Guidelines*, including all guidelines regarding isolation, quarantining, and policies for remaining or returning to school.**
