

Hello Shalom School families,

Since Sacramento has been in the low/green category of community COVID transmission for a month starting October 24th, we will be moving to masks being optional for indoors during whole school, multi-grade gatherings such as Tefillah and Kabbalat Shabbat. We will continue to promote an atmosphere of acceptance and inclusion, and will support all student or family decisions regarding masking. Additionally, with student safety as our highest priority, we will pivot to more stringent protocols if there is an indication that COVID cases are on the rise.

Thank you for your continued partnership through each unique phase of managing COVID in the school setting.

In gratitude,

Jilian
