SHALOM SCHOOL

2019-2020

In a year that has presented heretofore unknown challenges and uncertainty, it seems *bashert* (destined) that Shalom School's annual theme is resilience. Every member of our community has demonstrated resilience, adjusting to distance learning, changing routines, confronting the unknown, and solving new problems. We have navigated Zoom and so much more, figuring out how to use new tools, forge new connections, and keep our mission and vision at the core of our school community even as we have adapted and changed.

We are more grateful than ever for every single person who makes this sacred work possible—our beautiful children and families, exceptional teachers and staff, devoted volunteers and lay leaders, and generous donors and community supporters. Each of you has helped make this year, in all its complexity, one of growth and forward momentum. Each of you has supported the resilience of our community.

Thank you for all that you do to support our children, our school, and our community!
