A NOTE FROM THE HEAD OF SCHOOL

Dear Shalom School Families,

It's been wonderful to see the children in our summer ECE program on campus over the past weeks as they explore everything from jungle animals to shapes and colors to pirates. They've adjusted to our program changes with ease and are great about wearing masks and following our hygiene directions. Parents, too, have been very helpful and cooperative as they adjust to our protocols for health and safety, including new drop-off and pick-up procedures. I am so grateful to our wonderful ECE teachers and staff and our families for their ongoing patience and cooperation.

We are continuing to plan for the 20 – 21 school year, with our ECE program continuing to run on campus and grades K – 6 beginning with distance education. We'll meet this evening at 5 pm via [Zoom](#) with elementary parents to talk about what to expect and to go over more of the details of distance education and plans for when we are able to resume classes on campus. If you can't join us, don't worry, as we will send a recording of the meeting out afterwards.

Look for additional emails from us over the coming weeks with important information about the 20 – 21 school year, and as always, please don't hesitate to be in touch if you have any questions.

Shabbat shalom,

Nancy
