

HIGH HOLIDAY FOOD AND SUKKOT COAT DRIVES **September-October 2020**

Dear Temple Aliyah community members,

As we have done for many years at this season, Temple Aliyah is collecting **KOSHER food for JF&CS Family Table**. This year we are combining the Food Drive with our **Sukkot Coat drive**.

FOOD DRIVE FOR FAMILY TABLE

Please fill a paper bag with non-perishable Kosher food items for JF&CS Family Table and bring it with you to the synagogue when you return your Mahzor after Yom Kippur. If you haven't borrowed a Mahzor, please consider making a trip to drop off a bag of food anyway.

Alternatively Family Table realizes it might be easier to purchase items on-line and has established an [Amazon wish list](#), which is updated regularly, to focus on their most needed items. Please choose the gift registry address. The Family Table pantry is low on a variety of items, particularly:

- Shabbat candles
- Low-salt vegetables
- Whole grain crackers
- Whole grain pasta
- Raisins
- Canned salmon
- Dried Beans

SUKKOT COAT DRIVE

And since you are making a trip to the synagogue already, in keeping with the theme of Sukkot, the Social Action Committee is sponsoring a coat drive to help provide "shelter" to those in need. Please bring gently used coats and hooded sweatshirts of all sizes to be given to Generic Ministries of Needham for distribution to homeless adults before winter sets in. Children's coats and sweatshirts will be given to Circle of Hope or another appropriate group for distribution to families.

Thank you very much!

Shana Tovah!

The Temple Aliyah Social Action Committee
