Let's Get ACQUAINTED

Karin and Rod Luedke

Rod & I are fairly new to Prescott.

We discovered this wonderful town almost a year and a half ago. After several trips, we settled in a new home last June. After that... our home of 34 years in the West San Fernando Valley sold in one week, just in time to escape 2018's horrendous fire season, including the Woolsey fire, only a half mile from our house!

We have three kids. Daniel, the oldest is living in Tualatin, Oregon. He is the father of our 19-year-old granddaughter, Katy, who is presently going to college in Virginia. Our middle child, Lindsay, is the mother of Dylan, 3 1/2 and Lila, 20 months. They

are presently living in Sammamish, Washington. Our youngest, Tyler, is Team Leader in the IT department at Pepperdine University in Malibu.

Rod & I both are retired from the LA Dept of Water & Power. He started as a lineman, ended as a staff instructor. He then went on as Handyman while waiting for my retirement. I started at LADWP a few years after him as a meter reader, ending my career there as a customer field service representative.

I've been practicing Tai Chi for about six years now. I found a wonderful class at the Rosser Adult Center. Rod & I enjoy, traveling, bicycle riding, RVing and visiting our National Parks. Rod enjoys playing cribbage. He also loves carpentry and has built several bookcases for our personal library. Our book collection just seems to keep growing!?

Currently we are preparing our vegetable garden and a monarch butterfly habitat.

I guess I can also add, since joining TBS, I am now learning Mahjongg with some lovely, fun and interesting ladies and let's not forget Native American Flute class!
