A woman of valor makes the world change
Her strength is the content that guides through the days
Defined by her actions that bring light to all dreams
Valor is something that's defined by her deeds.

Her valor is golden, sparkled and gray
She stands up to the challenge no matter the way
It can't be held back or defined by her age
Yes, a woman of valor makes the world change.
For valor's not held by the young or the old
But by the deeds of the heart that give and unfold
It's merit and honor that hold no disguise
Like the creation of being in the blessed Holy One's eyes.

For valor is the color of the song of her soul
As she changes, creates and turns light into gold
Divine is Her Presence, be it joyous or sad
– A Woman of Valor –
May offer little, but it will be all that she has.
For only her heart will know the depths of her soul
That nurtures and blossom and forever unfolds
And holds in its essence new life and new gain

Yes,
A woman of valor makes the world change

The Eshet Chayil / Woman of Valor award is presented each year to a Sisterhood member who has proven to be a leader in the community. Stemming from a hymn in the Book of Proverbs, this woman is recognized as an openly giving and compassionate person. She is committed to the cause of the Jewish people and Israel. This outstanding woman is a role model to others, including her family and inspires women to positively impact Jewish communities, both at Temple Shaari Emeth and outside of our walls.
