Sixty-five people attended.
3. Intergenerational Seder: The event will be held on April 18, 2024. Eighty people have registered so far which is our largest number to date! Stuart has the floor plan. Tables will be pre-set for Seder and open seating, but the food will be served buffet-style. Want the feel that you are coming into a dining room at your home for the Seder. Deb Kirsch wanted to do a kugel cook-off. Five people have offered to participate. A cookbook was created many years ago. Jen redesigned the previous cookbook and will be publishing it this year. Maybe we will do it digitally. Jen will handle all catering. Tables will be set up in a U-shape. Will have afikomen gifts for children under 13. Jen will buy most of the items for the Seder plate. Ellen will roast the eggs. Deb Kirsch wanted to sell chocolate seder plates. Deb Kirsch will make the charoset. We do have a Haggadah that is women focused. Set up is to begin at 3:00 p.m. and the Seder will start at 6:30 p.m.
4. Sisterhood Shabbat: Will be held May 10, 2024 at 7:30 p.m. We will present an award for Woman of Valor. Jen will ask Sisterhood members if anyone wants to read from the Torah. Used to give a carnation to all the women who attend the service. Usually have members' children stand at the sanctuary doors to hand out the flowers. Will consider doing that this year.
