Please JOIN US for a joyous, healthy and safe PURIM CELEBRATION this evening.

In consideration of our entire Temple Sinai community, **please stay home if:**

- you have had a **known exposure to COVID-19**,
- you or anyone in your family, including your children, **have any flu-like symptoms**, even if mild,
- you have **traveled to a high-risk country** in the last month - particularly Japan, South Korea, China, Italy or Iran.

We will encourage our Temple Sinai community to use **smart sense when sharing greetings**. Consider air kisses, elbow or foot bumps, or placing a hand on your heart.

If you choose not to come, we will try to have the **Megillah** reading live streamed on **Facebook**. The service will be uploaded to our YouTube channel later this evening.

Temple Sinai remains vigilant in remaining informed about and taking active steps to prepare for the coronavirus (COVID-19). We continue to recommend following the **Centers for Disease Control & Prevention** for the latest news and updates on the virus and for recommended precautionary measures, which include common sense measures like avoiding close contact with people who are sick; avoiding touching your eyes, nose, and mouth; washing your hands frequently; and staying home when you're sick.

Here are some of our ongoing health and safety efforts.

- Our custodial staff is **cleaning and disinfecting the building** throughout the day and at the end of the day
- You will see **hand sanitizer around the building**.
- Remember: best practices recommend **frequently washing your hands** for at least 20 seconds using hand soap and vigorous scrubbing, **especially before our Oneg**.
- We will have **volunteers with gloves and tongs distributing food** and goodies at our Oneg.
- We recognize that there are **vulnerable populations** in our midst. These may include our **community's elders and those who are health compromised**. If you or someone you know is choosing to stay away from larger gatherings, please let Temple Sinai know.

If you have questions, please reach out to **Rabbi Meszler**, our Executive Director, **Rabbi Amy Goodman**, or our Chair of Safety and Security, **David Shore**.

In joy and health,

Rabbi Joseph B. Meszler
