

Temple Sinai: Important Updates

Dear Amy,

"If you save one life, you save an entire world" (Y. Talmud 23a).

After our last communication, Sharon Public Schools decided to close temporarily and new information has become available. **Therefore, we have made the difficult decision to close our building for the next two weeks for all gatherings except for B'nai Mitzvah services.** This includes our **Religious School, which will NOT MEET this Sunday.** We will continually re-evaluate and send updates as they are available to us.

Before detailing logistics, please keep in mind this essential point: while physical social distancing is a life-saving must, emotional social closeness is just as crucial. It is critical we reach out to each other. **It is on all of us to check in with each other and give each other the strength we need, which is ultimately derived from *Makor HaChaim* - the Source of Life.** Please let us know how we at Temple Sinai can help, especially as other challenges become exacerbated under these circumstances.

Prayer and Torah will continue!
