PAVE THE WAY to a brighter future... CBT Robert Levin Playground Commemorative Bricks!

For the first time in our history, CBT is offering a wonderful opportunity for you and your family to demonstrate your support of our students and your commitment to educational excellence at CBT. Purchasing a personalized engraved brick for placement in the sidewalk in front of the playground will remain visible for generations to come. These are wonderful opportunities for:

- Pre-school graduation gifts • Note special achievements
- Send a positive message to the community • Recognition awards
- "Class of" commemorations • Confirmation gifts
- Thanking a special member of the clergy or teaching staff

PAVE THE WAY for the next generation of CBT students... one brick at a time.
