

Beth El Sisterhood Presents - A Virtual Trip to:

ROME'S SISTINE CHAPEL

Thursday, February 11 at 2:00 P.M.

No Packing, Passport or Flight Required!

Join Laura Weinstein, art historian, educator, and tour guide, for her second of three virtual tours, live from Rome. During this tour, Laura will focus on the famous Sistine Chapel. This world-renowned building has served as the Pope's private chapel for over 500 years and is the home of the conclave for Papal elections.

As a result of recent restoration, the chapel has been returned to its original Renaissance splendor. Most people associate Michelangelo with this stunning decoration of the Sistine Chapel. When you join us, you will learn about the other eminent artists who had an important role, as well as some secret messages Michelangelo buried in the frescoed walls.

Cost: \$25/person. Registration due by Tuesday, February 9.
