*Elder Care & Health
with Dr. Sherry Blumenthal*

*Sunday, January 31, 2021
10:45 am, after minyan*

Dr. Sherry Blumenthal, our expert physician will provide an overview of health issues affecting the elderly which require caregiving. She will focus on how to deal with Dementia/Alzheimer's in those who need our care. And from personal experience, in caring for her elderly mother, Dr. Blumenthal will focus on the impact on caregivers, especially emotionally, and how to preserve your own well being.

Sherry L. Blumenthal, M.D.:

Sherry is an obstetrician-gynecologist who is presently retired from active practice. In addition to the experience of caring for her elderly mother, she is a frequent lecturer and author on nutrition and obesity in obstetrics and gynecology. She received her medical degree from Sidney Kimmel Medical College and is a Fellow of both the American Congress of Obstetricians and Gynecologists and American College of Obstetrics and Gynecology. She is a member of the

Board of PA Medicine and Past Chair of the PA Section of the American Congress
