From the President’s Desk...

On June 6th, it was another very exciting day for our Sisterhood as we held our Culminating Luncheon and Installation. I felt honored to have Rabbi Weill, Rabbi Brief and Congregation President Ed Cohen in attendance. Laurie Davis, Past President of the Great Lakes Region of Women’s League did a wonderful job with the installation of our 2018-2019 Board. Ada Rabinowitz and Debbie Reich, were two outstanding luncheon co-chairs and the food from Zelda’s Kosher Gourmet was wonderful. Everyone was very impressed with our entertainer, Liz Zoller Cohen, who played the piano and sang some great songs. Debbie’s creativity with the invitations, name tags, and programs was admired by all in attendance. The fresh floral centerpieces were just beautiful. We could not have asked for a more perfect day!

We hope you can join our Sisterhood when we go to see “California Suite” at the Skokie Theatre on Sunday, July 8th at 2:00 pm. As we all know, Neil Simon is a master of comedy. This is one play you won’t want to miss.

I am looking forward to this coming year as we begin planning exciting and informative programs, fundraisers, and the continued growth of our gift shop. Watch for details on our Opening Luncheon which will take place on Wednesday, September 5th.

B’S’halom! Judy Frank

FOR A TRIP TO
SOUTH HAVEN, MICHIGAN
THURSDAY—AUGUST 23rd, 2018

Marcy and Michael Feinberg have graciously offered their home in South Haven for a Sisterhood event which would include lunch. After lunch, we will have the opportunity to go shopping, purchase fruit at the local fruit stands, go to the beach, and a possible tour of the local synagogue that was built in 1921. One of the favorite go-to spots is Sherman’s Dairy Bar for ice cream treats.

We are in the process of arranging transportation. If you are interested in going and willing to drive, or know someone who would drive, please let us know. The other option is for everyone to take a bus. Most important is to let us know if you would like to join us.

Please make your reservation by Friday, July 27th—and let me know if you would prefer driving or taking a bus.

GIFT SHOP GAB: VOLUME TWENTY-ONE
The gift shop is pleased to announce two new co-chairs for the coming year. We are lucky to have the help and organizational skills of Sandi Cowen and Adrienne Tanner. I welcome them aboard and look forward to the coming year of working together.

Summer is here (finally!) and activities slow down somewhat while people take advantage of the beautiful weather. But don’t forget the gift shop. Many people have summer BBQs, and we have the perfect gifts. Check out our snazzy “sailboat” salt and pepper shakers and the adorable ice cream topping dishes (with matching spoons.) And don’t forget the stylish and practical folding sunhats and elegant visor hats. Don’t go out in the sun without them.

Wishing everyone a great summer. Please remember that we look forward to seeing you in September at the Sisterhood Opening Luncheon.

OUR DISTINGUISHED JEWISH WOMEN—
PAST AND PRESENT: Anna Freud
by Joanne Stein

The youngest of Sigmund and Martha Freud’s six children, Anna was born in Vienna in 1895. She was very devoted to her famous father and was the only one of his children to show interest in his chosen field of study. She is said to have been a ‘proponent, defender, and the definitive interpreter’ of her father’s theories.

At nineteen she traveled alone to England to further her studies and to decide whether to continue teaching or to follow her father’s path. She finally decided that her life’s work would be in the psychoanalytic field as it applies to children.

With the outbreak of World War II, and with the help of well-placed friends, Anna and her father were able to escape the Gestapo and settled in London. Sigmund Freud died there in 1939.

Anna opened a nursery and school for war orphans and began writing many books and papers to present her theories on child development. She also trained other therapists in child psychology and created the phrase ‘in the best interests of the child’. Anna visited the United States many times. She even taught at Yale Law School to help law students understand the impact of crime on family life.

Anna Freud received many honorary degrees and awards during her lifetime. American psychologists and psychoanalysts rated her the foremost practitioner of her day.

She never married and died at the age of 87 in 1982. Her London clinic was renamed the Anna Freud Centre and has a worldwide reputation for its treatment of disturbed children. In addition, her London home is now known as the Freud Museum.
