### Kasha ya of the Week

**Why did Moshe have an issue accepting the mirrors (Rashi to 38:8), but not with the jewelry they brought beforehand (35:22)?**

**Shkoyach to**

**Kasha ya for Kids**

Every person had to give a “beka” of silver (38:26). Who already gave this kind of coin in the past, which predicted this commandment?

**Shkoyach to**

Gil Stebbins, Michael Barash, Henry Brystowski, The Shaws, The Barths, Jeff & Reyna Katz

**Nice find...**

The kohanim used water to wash their feet, Moshe sprinkled the gold dust into water, and Moshe didn’t drink water when in Heaven.

**Great job...**

Addy Gomez & The Nemes girls

**Moshe could break the luchot because the prohibition of erasing Hashem’s name wasn’t yet established; the letters flew off the luchot, so nothing was erased; it was a test using His name, similar to the Sotah water which tests a spouse’s fidelity.**

**The plague of lice was called “the finger of Hashem”**
