

A MESSAGE FROM THE YOUTH COMMITTEE

To ensure the success of our youth initiatives & to maintain decorum in our *shul*, we need your help implementing our programming. Please help us make sure that children are in *shul davening* or in their respective *minyan* or group. When all of the children are in groups, they have more fun and can play better games. When some children are permitted to hang out elsewhere, others want to follow, leaving those who planned the activities unable to execute them. Allowing children to wander the halls detracts from our programming. If you see a child who looks lost, please help him/her find his way back into *shul* or into his age-appropriate place. Teen *minyan* meets in the board room. Mini *minyan* meets in the Infant/Toddler room. Groups will meet in the social hall. Groups for 4th-6th grade will move to the *Beit Midrash* when the early *minyan davening* ends.
