Kashya of the Week

In 37:5 it says that Betzalel placed the poles in the Aron's rings, but in 40:20 it says that Moshe did so. How could that be given that poles were never to be removed, based on 25:15?

Parsha Find

What 2 contributions in the Parsha were made exclusively by women?

******NEW*** Kashya for Kids***

Everyone had to give a "beka" to the Mishkan (38:26). Where else in the Torah does someone give a "beka"?
