

Young Israel of New Rochelle

November 9, 2021

Dear Shul Members:

We are very excited to launch a new program, entitled the **YINR Career Learning Series, or "CLS,"** designed to empower our young adults to make more informed choices regarding career opportunities.

Through this program, our young adults (High School, College and immediately Post-College) will have the opportunity to attend one or more 45-minute panel discussions (via Zoom), each focused on a particular career category. The panels will be moderated by and feature YINR members who have pursued careers within the given field. The participants will have the opportunity to listen to the panelists' experiences and ask questions. Discussions may include topics such as how panelists got their start, what a typical day is like in the field and what our youth can do today to help break in to the field.

To make this program a success we are now recruiting panel participants! Below is a list of potential career categories selected for the inaugural panel discussions:

1. Communications (Marketing, Public Relations, Advertising)
2. Education (Primary, High School, College and Graduate School Educators)
3. Entrepreneurship
4. Finance

5. Human Resources
6. Law
7. Wellness (Fitness Trainer, Life Coach)
8. Medicine (Doctor, PAs, NPs, RNs, Dentist, Veterinarian)
9. Mental Health (Psychologist, Psychiatrist, Social Worker, Counselor)
10. Rabbinate
11. Management Consulting
12. Real Estate
13. Technology / IT
14. Therapist (Speech, OT, PT)
15. Graphic Design
16. Cosmetology, Stylists (Hair Stylist, Wardrobe Stylist)

If you operate in any of these fields and would be willing to serve as a panelist, please click [here](#) and share a few more specifics about your career. Our hope is to create diverse panels, representing various career paths and experience levels within the same field. As a panelist, you will have no obligation beyond, hopefully, creating an exciting and informative discussion!

Once we have enough diverse volunteers to support several panel discussions, we will contact panelists to begin scheduling (our target is evenings in November/ December).

If you have any questions or additional ideas (e.g., new career categories), please don't hesitate to contact us at careerlearningseries@yinr.org.

Thanks for your support and we look forward to hearing from you!

The YINR CLS Team (Kevin Rose, Meira Werblowsky, Tamar Croog)
