2. Recorded YINR Zoom programming has been posted to YouTube by our bookkeeper, Isio Jacobovitz. This posting provides for automatic-captioning of the videos. To access the videos, members can go on the YINR website and click on "Zoom recordings 'n' More". To access the captioning on the video selected for viewing- click on the "cc" icon on the bottom right of the video screen which will activate the captions to display on screen. The captioning is not perfect, and if there is a request, specific videos can be caption-edited for better clarity.

Please contact Mattice for further assistance regarding captioning.
