May 26, 2021

Maryland State officials and Montgomery County officials have voted to ease mask rules at the state and county levels. The Montgomery County Council voted unanimously to lift the outdoor mask mandate entirely and allow people who are fully vaccinated against COVID-19 to go without masks indoors.

As a result of these new guidelines, Magen David will no longer be requiring visitors to wear masks in the building if they are fully vaccinated (two weeks after receiving a second shot in a 2-dose vaccine). Individuals who are not fully vaccinated will still be required to wear a mask in the building to protect themselves and those around them from the spread of COVID-19.

We encourage everyone to continue hand washing and/or using hand sanitizer prior to entering the sanctuary or touching items or surfaces that may be frequently touched by other people in Magen David.
