PRE PESACH SHABBAT LUNCH

Close to 80 people enjoyed a fully catered buffet Shabbat lunch in Goldberger Hall.

We hope that this will become a regular part of our programming in the lead up to Pesach in years to come.

Thanks to everyone who helped organise the lunch and to those who attended.

RIDDLE OF THE WEEK

Riddle for Shemini

Find 7 words in a row whose Roshei Teivot (first letters) spell the words "מלא אהבה".

Riddle for last week (Pesach)

On Seder night, I drank the proper shiur of wine, and leaned correctly, had the correct Kavana (intention) to be Yotzei (fulfil the obligation) and yet was not yotzei the Mitzvah of 4 cups of wine at the Seder. Give at least 2 ways in which this could occur.

Answer:

If the four cups of wine were drunk in a row without spacing them out with Haggadah, Hallel, Meal and rest of the Seder in between, then one has not fulfilled the Mitzvah of having 4 cups of wine.

A second way is if the four cups of wine were all drunk from one large cup or goblet containing the shiur for 4 cups of wine, and one drank each of the 4 'cup fulls' from the one large cup, without refilling it each time, even if the drinking was spaced appropriately according to the Seder in the Haggadah.

זכרון בסלון

Zikaron BaSalon (Hebrew for "memories in the living room") is an annual event, which takes place on Israeli Holocaust Memorial Day. The idea was born from the understanding that the connection between today's society and the memories of the Holocaust, has significantly deteriorated.

All welcome. A donation at the door to the Holocaust Museum would be appreciated.
