THE SALE OF CHAMETZ

On Pesach it is forbidden to keep "Chametz", its mixtures and/or derivatives in one's possession. All "Chametz" not destroyed before the morning before Pesach must be sold to a non-Jew. This sale must be in strict accordance with Jewish law and is therefore conducted by a Rabbi well-versed in the particular requirements necessary.

B'dikat Chametz ("Searching for the Chametz") takes place **TUESDAY EVENING, 7 APRIL, 2020**. The formal sale of Chametz to a non-Jew takes place mid-morning of **WEDNESDAY, 8 APRIL, 2020**. The Rabbi should be empowered to sell the Chametz well before this time. Please note the procedure for the sale of Chametz:

1. The Rabbi is appointed as an agent of the seller of the Chametz to sell it to a non-Jew. The areas where the Chametz is stored are also leased to the non-Jew and Chametz being sold should therefore be stored in an appropriately segregated area. The non-Jew must be granted free access to the Chametz he purchases.
2. This procedure is a bona fide sale in accord with Talmudic and secular law.
3. It is prohibited to derive any benefit from Chametz which has been kept in possession of a Jew during Pesach. Therefore, care should be taken to obtain Chametz after Pesach from someone who has sold his Chametz prior to Pesach. If in doubt in a particular case, one should delay before buying from the Jew until one is reasonably certain that a new stock of Chametz has been acquired.
4. Should one receive or even inadvertently acquire Chametz or find Chametz in one's premises during Chol Hamoed, the Chametz should be burned (or destroyed). If received or found on Yom Tov, then handling it is prohibited since it is muktzeh. One should cover it with a vessel until the end of Yom Tov and then burn it.

MECHIRAT CHAMETZ 5780 - DELEGATION OF POWER FOR SALE OF CHAMETZ

I, the undersigned, fully empower and permit Rabbi Danny Mirvis to act in my place and stead and on my behalf to sell all Chametz possessed by me, knowingly or unknowingly, as defined by the Torah and Rabbinic law (e.g. Chametz, possible Chametz and all kinds of Chametz mixtures). Also Chametz that tends to harden and adhere to inside surfaces of pans, pots or cooking and usable utensils, and all kinds of live animals and pets that have been eating Chametz or mixtures thereof. He is also empowered to lease all places wherein or whereon the Chametz owned by me may be found, particularly in the premises located at:
(Please list home, business, holiday home addresses as applicable, together with location of Chametz).

and elsewhere.

Rabbi Danny Mirvis has full right to appoint any agent or substitute in his stead and said substitute shall have full right to sell and lease as provided herein. This power is in conformity with all Torah, Rabbinic and Civil laws.

Adar 5780

Dear Friends,

As we begin to prepare ourselves for the chag of Pesach it is important to remember the needs of those less fortunate and ensure that they have the means to celebrate the chag as intended. The Maot Chitim Fund is designed to facilitate this on a practical level and provide every member of our wider community with the necessary provisions to celebrate the upcoming chag.

Throughout the year the Mizrachi Charity Fund (MCF) is committed to providing members of our extended community with the necessary support to ensure that they are able to provide for their families adequately. The need is constant and the requests endless. Unfortunately, there is an increasing number of families within the community that rely on our support in order to manage their financial burden. The range of support we offer is diverse and we are committed to finding the most beneficial form of support for each individual case.

*Rivka recently approached MCF in a desperate state. She was heavily pregnant and had just arrived in Melbourne when her husband suffered a serious accident which would require a long period of recovery. Her husband was not an Australian citizen and was not eligible to any form of Government support. The couple were not covered by health insurance and faced the reality of a new baby, extensive medical bills from the accident and no income. Rivka had no family support and no established social networks to rely upon. Rivka was suffering from extreme stress and anxiety at the prospect of giving birth to a child without any form of stability in their lives.

*Lea recently fled an emotionally abusive relationship with her two young children and had nowhere to go. She spent weeks moving between various friends in order to have a roof over her head. Lea struggles with various medical issues which makes finding any type of employment very difficult. She was desperately trying to find appropriate housing but with no income Lea is struggling to provide her children with basic needs for survival.

Rivka and Lea and their families are just two examples of families who turned to Mizrachi Charity for assistance when they found themselves so vulnerable.

We receive requests from families within our community and beyond. The most alarming feature is that many of these requests are coming from families that are deeply integrated in our close-knit community. The need is literally on our doorstep and it is something that we cannot ignore.

We are pleased to be able to assist those families that seek our support and the only hurdle we face is having limited funds which restricts our ability to assist to the full extent required. We are completely reliant on the support of our generous community which ensures that we sustain our record of distributing approximately \$180,000 a year to those who find themselves hungry, homeless, jobless and with few avenues of support.

Every month, funds are disbursed to provide food vouchers, rental assistance, medical assistance, payment of utilities and occasionally, financial support in order to retrain or re-educate an individual so that they can return to the workforce. We hope to do more of this.

As Pesach approaches and we busy ourselves in preparation of this forthcoming Yom Tov, please consider those families whose added challenges can be alleviated by our thoughtful assistance. We are so grateful for your continued support and are delighted to advise that donations can now be made online by clicking on our website charity.mizrachi.com.au

Wishing you all a Pesach Kasher V'Sameach Warm regards,

Karen Franks
Mizrachi Charity Fund Executive Director
