a "bitter" (maror) month there are no Chagim in it

Two of the "imahot" Sara and Rachel passed away this month

"mar" also means a drop of water, and we have just started praying for rain

Did You Know?

Some people explain that "MarCheshvan" comes from the words "Werach Shman", meaning, "Eighth Month" in an ancient Semitic language.

מרחשון

This Shabbat is Mevarchim

Another name for Marcheshvan is "bul", a reference to the Mabal (flood)
