פרשת נח תשפ"א

Dear Readers,

We hope that you enjoyed the activities in last week's Mizrachi Minibytes.

ה' created everything in the world and last week's פרשה activity only asked you to think about creations beginning with 'm' .

Can you imagine how many words you would have listed if you could use all the letters of the alphabet! If you managed to list 40 items (or more), remember that 40 is the number value for the letter מ! מ for mizrachi minibytes 😊.

And 40 is in this week's פרשה about נח and the מבול.

In this week's activities, we have included MasterChef ideas for פרשה cooking to prepare for your Shabbat table.

Also, there is a Mindmap to think about events and activities that are related to water such as נטילת ידים and קריעת ים סוף.....

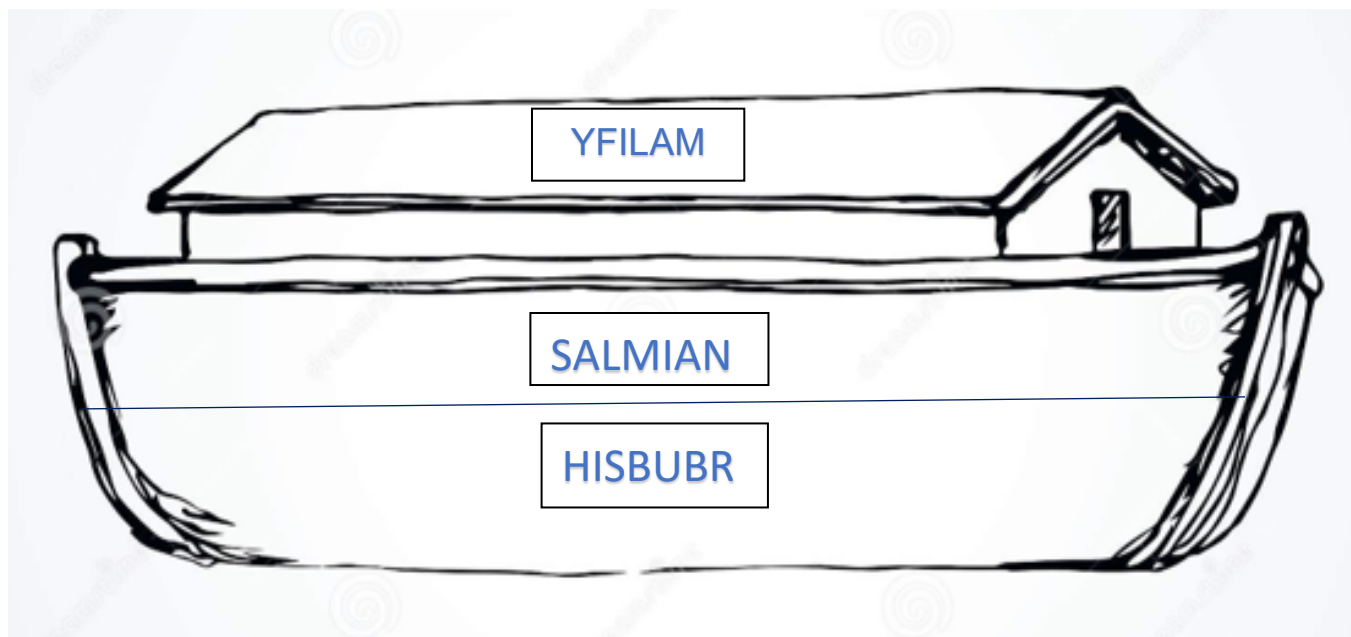

This activity can be done before Shabbat or can be discussed around your Shabbat Table.

Remember to say these daily!

מוֹדָה / מוֹדָה אֲנִי לְפָנֶיךָ,
מֶלֶךְ חַי וְקַיִם,
שֶׁהַחַזְרָת בִּי נִשְׁמַתִּי בְּחַמְלָה
רַבָּה אֲמוּנָתְךָ.

I thank You, living and eternal One, for
Your kindness in restoring my soul.
How great is your trust in us!

Rainbows on the Shabbat Table:

Here are some amazing things you can do before Shabbat

Split your challah dough into 7 lots and use food dye to make – Red, Orange, Yellow, Green, Blue, Indigo and Violet. Then braid into a beautiful Challah

Another fun idea: **m**ake rainbow cupcakes and add this cute rainbow toothpick (Coles)
