

GHC CAMPUS CONNECTION

Send a package of treats for the Jewish holidays to your student's college or graduate school-**just \$54 per student!** This form and payment must be received by August 15 to ensure package delivery for Rosh Hashanah, which begins Friday evening September 15th. Nut-free option is available on request.

GHC Campus Connection is the college outreach program of Greenburgh Hebrew Center. The mission is to keep our students in touch with Jewish traditions while they are away at school. For a reasonable fee, we send packages with snacks, treats and little gifts for Rosh Hashanah, Chanukah, Purim and Passover. We will also send the package overseas if you like-we just ask that you pay for the shipping. Through the generosity of GHC and Sisterhood GHC subsidies, we are able to keep the cost of the program to \$54 per student for 4 packages per year! Please return this form to GHC with your payment or email college@ghcny.org with your student's email, school name, school address and the sender's name. Please let us know if your child will be home for a holiday so we can make alternative arrangements. Thank you and best of luck to your student in the upcoming year!
