**Tues, Dec 15, Candle-lighting at 6 p.m. followed by A celebration of our Living Shamashim**

*Join our teens and celebrate our seniors as our youth share highlights of their interviews with some TBE seniors who have inspired their protégés stories of personal and professional high points, entertaining adventures and lessons learned over the decades. **Wed, Dec 16, Candle-lighting at 5:15 p.m. followed by An Evening of Dreidels**

*Think dreidels are just “kids-stuff”? Think again. We will be celebrating the many faces of dreidels, starting with a demonstration of the traditional game, followed by a display of hand-crafted dreidels by local artists and a discussion of the dynamics of spinning tops by high-energy physicist Ken Finkelstein!*

**Thurs, Dec 17, candle lighting at 6 p.m. followed by Sufganiyot cooking demo**

*To fill our mouths with a sweet taste as we watch the final night's candles fade, we'll be whipping up some delectable jelly doughnuts with Elliot Shapiro and Jon Greene (recipes in the bag!).*
