

ONLINE ADULT ED FORUM

Tikshoret (Connections): Welcome to Gates' online adult education project, an opportunity to connect and learn with and from each other.

- We will be using *Reform Judaism Magazine's* guide to [Reform Judaism: 30 Stories Discussion & Study Guide](#).
- We begin with Section I. *Being a Reform Jew* (study guide p.67). Read it at your leisure. Then write your thoughts, ideas, impressions, questions, etc. on our online forum.
- Once a month we will get together at different homes to continue sharing questions and answers with an eye towards creating personally meaningful Jewish experiences.
