

TCSC SUMMER OPPORTUNITIES-2023

Once again, TCSC (Temple Community Service Core) - the ultimate community service program for High School Juniors and Seniors looking to make a difference in our community while enhancing their personal growth through the lens of Jewish values.

Through CGOH's community service internships, TCSC provides an incredible opportunity to gain hands-on experience in community service while being paid up to \$364.00 for a 35-hour work week with flexible 4–5-week assignments. And for those with busy schedules, we also offer part-time positions with a minimum internship requirement of just 20 hours per week.

With TCSC, you'll work alongside our local service partners, building meaningful relationships and making a real impact in your community. But that's not all - you'll also explore Jewish approaches to service, gaining a deeper understanding of how to make a positive difference in the world.

Don't miss out on this life-changing opportunity to invest in your future while making a difference in the world. Join TCSC today and start your journey towards a brighter tomorrow!
