The Sisterhood of Temple Beth El  
2A Liberty, Aliso Viejo, CA 92656

Dear BE Sisters Members,

Shana Tovah and much health and happiness for the new year ahead. As I write this article, I feel truly honored in being BE Sisters President. We are a welcoming group of women who want to help you feel connected to Temple Beth El.

In spite of the pandemic, BE Sisters had a very successful year in 2020. We reached out to the community and brought us together by offering various types of programs. This year, we are well underway planning many in-person, Zoom, and hybrid events. We continue to do our best to ensure the health and safety of each member.

Our first event since the start of the pandemic, the Community Social In The Sukkah, proved to be a warm and engaging experience for both in-person and Zoom participants alike. We welcomed old friends and new, learned from Rabbi K'vod, and snacked in the sukkah.

I look forward to spending time with you all at our future events.

Warmest Regards,  
Debbie Grinacoff, President
