

This time of you we read in the Torah all the important (arguably) stories of our Matriarchs and Patriarchs. Sarah & Abraham, Rebecca & Isaac, Leah, Rachel and Jacob. It makes us think, remember and ask “Where do we come from?” This project will remind us of our families all over the country and the world and hopefully, we will reach out to them on their special days.

# Family Birthday Boards

We have made lots of family trees over the years. This year, we will do a new twist on an old project. We will be making Family Birthday Boards. This cool useful décor will be a constant reminder of all your loved ones and their special days.

## Here’s what you must prepare:

You will need to get the names, how each person is related and the BIRTHDAYS of the people in your family. If someone in your family has already passed away, but you want to still remember their birthday, please include them also.

## Here’s what you need:

NOTHING but you **must** [RSVP by October 29<sup>th</sup>](https://www.youtube.com/watch?v=QV:QHJHcFDI) so I can get you all your supplies.

Sound Interesting? Here is a video of the project so you can see for yourself!
