

15 September 2020

Dear Friends.

If there will be among you a needy person, from one of your siblings in one of your cities, in your land the Lord, your G-d, is giving you, you shall not harden your heart, and you shall not close your hand from your needy sibling. Rather, you shall open your hand to him or her, and you shall lend him or her sufficient for his or her needs, which he or she is lacking. (Deuteronomy 15: 7 - 8)

Once again we look to our members to partner with us, the YINN Charity Committee, to address the difficulties of those less fortunate than ourselves.

We greatly appreciate the donations which you made in response to our appeal last year which enabled us to support many individuals, local and other worthy organisations. With your help the Committee have helped:

- by providing a University scholarship for a soldier
- fund the creation and development of equipment designed to provide solutions for disabilities suffered by those who put their lives in danger to protect us
- support voluntary work with children suffering from cancer
- to co-operate with local charitable organisations who assist destitute families
- provide assistance to Homes for orphans
- enable gap year students to join educational trips to Poland
- to contribute to the life-saving work of Hatzola
- to assist students by providing them with laptops
- provide a Laniado Nursing Scholarship

We know that the last few months have been a testing time for many and that there is much uncertainty ahead, but we look to you as a generous community to help us continue our efforts in the coming year. Everyday requirements and some planning for the year ahead cannot stop and we have to be prepared for every eventuality Every donation you make will go in its entirety to alleviate the stress of someone in need. As we look to a new start this Rosh Hashanah, please support us so that we can ensure the New Year will herald a new future for those who need our help.

Please see the attached sheet for payment details and methods of payment

We would like to thank you in advance for your generosity and to wish you and your family a happy and healthy New Year and Well Over the Fast.
