

PROJECT ZUG: A NEW LEARNING INITIATIVE

WHAT IS PROJECT ZUG

ZUG זוג is Hebrew for pair.

Project Zug is an online platform for Jewish Text learning in pairs.

Temple Beth El and [Hadar](#) are embarking on a partnership through Hadar's [Project Zug](#) to empower *Chevruta* (*partner-based learning*) in our community.

WHY ZUG?

- Discussions relating to the burning issues important to you.
- Engage with Jewish sources often inaccessible to you.
- Meet with your study partner when/where/how you wish.
- Project Zug gives you all the control and all the support to fully engage with the treasures of our tradition while connecting to another person.
