

## COVID-19 IN-PERSON PROCEDURES

Effective May 25, 2022

At this time, the following procedures will be observed:

All persons entering this building are required to wear a mask regardless of vaccination status:

- while in the administration area
- at all services with more than 10 persons in attendance
- persons leading services may remove their masks while leading services, but should remain socially distant
- any meeting with two or more persons
- during any meal, except while eating and drinking
