Join us for a Free Virtual Women's History Program from the Weitzman National Museum of American Jewish History!

During a guided virtual tour of the Museum's core exhibition, we will explore how central themes of Jewish life in America affected women. This program for adult learners will highlight three centuries of women who overcame obstacles, embraced opportunities, and took on new roles in political affairs, social justice, business, religion, and other fields.

Registration is required so a Zoom link for the event can be sent out on the day of the event.
