

After-School Programs - Fall 2019

Mondays

LEGO CREATION SLIDE SHOW with CREATE IT! (10 sessions) | Ages 4-7 @ 4:00-5:00 pm

This program challenges students to design and create a variety of different themed LEGO creations. Throughout the program, students will learn the basics of building and exploring the possibilities that exist with LEGO creations. Each class students will be given a new Lego challenge and theme to work with. They will have 10 minutes to plan out their creations, and another 45 minutes to put them together. At the end of each class, students will use HD digital cameras to take different angled photos of all their creations. At the End of the program, Students will receive a brand new USB key to take home with a slide show movie of all their LEGO creation photos.

Tuesdays

ARTCAMPP (11 sessions) | Ages 4-7 @ 4:00-5:00 pm

In this mixed media class, our young artists will learn about and explore an exciting variety of materials and techniques. In a studio filled with exciting supplies, students will transform their ideas into their very own masterpieces. *Please bring your own smock.*

Thursdays

KINDER SCIENCE - DISCOVERY LAB (9 sessions) | Ages 4-7 @ 4:00-5:00 pm

NOTE: This class will start on October 24.

NEW This fun, hands-on Kinder Science program sparks imaginative learning! Children will engage in exciting hands-on activities, watch spectacular demonstrations, participate in inquiry-based discussions and create incredible take-homes. Weekly Topics include: Adventures in Air, Colour Lab, Eye to Eye, Butterflies, Mad Mixtures, Magnetic Attraction, and Space Frontiers.
