This year’s theme, SceneYICC Adventure Guide, truly celebrates what our Shul offers the community. Not only does this brochure reflect the diverse and talented guests who have been invited to participate in this year’s Program Calendar, it also highlights the various Shiurim and programs that the Shul sponsors throughout the year.

Essential to Jewish thought is the concept that each person is on a unique journey. Jewish Law is called “Halakha” which means, “The Way,” serving as our guide through our life’s voyage. The late Rabbi Yosef Dov Soloveitchik, the Rav Z”L, noted that in the Selichot service we mention numerous Biblical figures including Ezra, Daniel and others. He suggested that their inclusion in the text is to remind us that there isn’t just one way to be inspired and serve God; rather each of us will find our own unique spiritual path.

We hope that you will discover something exceptional in this Program Calendar that resonates with and inspires you on your spiritual journey. As you peruse the pages of this brochure, you will find exciting and stimulating programs along with a list of distinguished speakers who will challenge your mind and engage your heart as they address contemporary issues from a Jewish perspective. Please join us for what promises to be an amazing year of study and inspiration.

None of this would have been possible without the generosity of our sponsors, whose names are prominently featured throughout this calendar. All lectures are offered free of charge to a community. Special thanks are due to the very involved members of the Program Committee, who helped shape this year’s extensive offerings. We also extend our gratitude to Jeff Coen of JDC Design for his amazing talent in designing this Program Calendar.

I look forward to personally greeting you in our beautiful Shul, and I encourage your participation in everything Young Israel of Century City has to offer.

Elazar R. Muskin

MEMORIAL LECTURE AND BRUNCH
Rabbi Alan Kalinsky

“A "Attitude of Gratitude”

Karen Singer Avrech Z”L
Karen Singer Avrech, Ph.D., was Robert Avrech’s beloved wife of 44 years. She was the proud mother of Ariel Z”L, Leda and Aliza, and doting grandmother to Maya, Lielie, Liv, Leo, Finn and Charlotte. Dr. Avrech was well known in Los Angeles for her sensitive work as a child psychologist, testing and diagnosing thousands of children over the years. Karen was a faithful participant in the women’s Tehilim group. In addition, Karen attended numerous Torah classes offered through YICC, her Shul for over thirty years. Her genuine modesty, goodness and deeply felt Torah observance were apparent to all who knew her. Karen’s death from pancreatic cancer has left a gaping void for her family and the wider Jewish community.

Rabbi Alan Kalinsky served as the OU West Coast Director for over 35 years. During his tenure he promoted OU programs and activities throughout the West Coast. In addition to his organizational and administrative duties, he served as Rabbinic Field Representative for OU Kosher. In this role he encouraged the Ralphs Grocery Company to create the Kosher Experience in several key stores in Los Angeles.

From 2005 - 2012 he served as the Rabbi of Young Israel of North Beverly Hills. He also served for 28 years as Chaplain in the United States Air Force Reserves and retired from the Air Force in 2002, attaining the rank of Lieutenant Colonel.

In 2021 he was appointed to a newly created position at Yeshiva University, the RIETS Rabbinic Mentor, assisting young rabbis as they transition into their new roles as Synagogue Rabbis. Rabbi Kalinsky is a childhood friend of Robert Avrech.

Ariel Avrech Z”L
On July 1, 2003 (2 Rosh Chodesh Tammuz 5763) the Los Angeles Jewish Community suffered the tragic loss of Ariel Chaim Avrech Z”L.

A 22-year-old Ner Yisrael student, Ariel was raised in our community, attending Harkham Hillel Hebrew Academy and Yeshiva Gedolah of Los Angeles. Ariel was an active member of Young Israel of Century City, where he often delivered lectures during the holidays. For years, Ariel suffered illness, but this gentle and Torah-loving young man never relinquished the fervor of his learning.

To pay tribute to Ariel and Karen’s beloved memories, the Avrech Family has established an annual Yahrzeit Lecture Series. This year we are delighted to have Rabbi Alan Kalinsky address us.
