FROM OUR RAV:

L'chvodchem hayikarim loy"t – Shalom rav uveracha merubah.

We are extremely grateful to the local police for their superb performance last Sunday as their preparedness and allocation of resources and strong stand maintained the protesters in place limiting the disruption they caused. For us these events bring the peril and promise of Purim and Taanis Esther close to home and shed light on Chazal's assertion that joy and worry can live robustly together and that may well be the "lot" of this Purim.

PURIM PREPS

□ Purim Potpourri given by Dr. Phil Kazlow this Shabbos following mincha. Thank you, Dr. Phil.

□ Megilas Esther with Rav Elozor Preil who will share the insights of Rav Sorotzkin (aka moznaim l'atroah) and will take place at 9:15pm.

□ Iyunn Halacha Chabura on Tuesday night 8:45 will study mishloach manos, seuda and drinking (אורח חיים סי' תרצ"ה). Chabura Thames chaburaspace; mekoros available in the shul lobby on Shabbos for advance limud be-chavrusa.

□ Home Bound on Purim? - We won't cook for you, but we will send you bl"n a baal koreh. Please let me or Sam Levi know.

□ Machatzis Hashekel - We will have machatzis hashekel prepared for you on Purim night in the lobby.

□ FAQ's for this Purim: We will begin maariv late next motzai shabbos to allow families to wait till after Shabbos to prepare for the evening and to drive to shul.

This Shabbos we welcome Rav Cohen's YU talmidim (Undergrad Chabura & Masmidim) who will be spending Shabbos with Rav Tanchum & Rebbetzin Yaffa. I am sure you will have an uplifting Shabbos. Thank you for joining us.

Shabbos hi milinochem unechama kerova lavo. We extend birchas tanchumim to Beth Stern on the petira of her father, Richard Jacobs. Mr Richard Jacobs leaves a legacy of coveting his relationships with rabbonim and being a confidant of Rav Gedalya Dov Schwartz and Ybbch HaRav Moshe Snow and being a long-time leader of Shulamis School. Shiva ended Thursday.

Shabbos hi milinochem unechama kerova lavo. We extend birchas tanchumim to our former member, Hetty Perl on the petira of her husband, Avrohm Perl. Avrohm was with us for all too short a time but his love for shul for "yidden" and his ability to bring cheerfulness to every minyan in which he participated taught us much of what one [large Texan] can accomplish.
