FROM OUR RAV:

L'chvodchem hayikarim loy"t – Shalom rav uveracha merubah.

The absence of the minyanim and of in person learning for so long last year (5780) and the precariousness of it all now, makes me appreciate every day that we are in the bais hamedrash, every tefila betzibur, every yehai shmai raboh, and every day that our yeshivos are open so much more than ever before. I am sure you join me in being ever so grateful to all our members for respecting the guidelines so carefully, to our shul leadership and our medical panel who are continuously assessing, evaluating and implementing.

And especially to the leadership of our yeshivos who invest no end of effort to keep our yeshivos open, where every day is trying, and every day is b"H an accomplishment - all done to provide more Torah and more normalcy to our children. May Hashem continue to receive our prayers and bless our efforts for good health for all.
