

Dear Members,

With the Rav's permission, we wanted to briefly call your attention to a few important items:

Financial Assistance:

We appreciate members of our Kehilla may be unexpectedly experiencing financial difficulties at this time. If you are in need of any financial assistance, particularly in preparing for Pesach, please do not hesitate to reach out to either the Rav, Steve Landau or David Yastrab in complete confidence.

- Steve Landau: (212)-729-6133; steve.landau@gmail.com
- David Yastrab: (516) 567-5864; david@yastrabcpas.com

If any members are interested in learning more about opportunities to provide physical and/or financial assistance in support of our Shul's and communal efforts to support our friends and neighbors in need, please contact either the Rav, Steve or David who are working not only on behalf of our Shul but also together with Achiezer on a number of coordinated communal initiatives to address these matters.

Thank you, and tizku l'mitzvos.

Quarantine and Over-60 Support:

If you are in quarantine or over 60 and require assistance in shopping for groceries or other items, please send an email to: cbeyhelpers2020@gmail.com

We are working together with Achiezer's guidance to appoint a representative from our Shul who will serve as the point person for this effort and we have been asked to gather the number of people/families that require such assistance so that the appropriate resources can be allocated to addressing this need as quickly as possible.

In addition, if you would like to volunteer either to coordinate our shul's efforts or help with shopping for those over 60 or in quarantine please email: cbeyhelpers2020@gmail.com

Building Fund:

We recognize many in our Kehilla may be facing financial difficulties in the coming months and if you would like to suspend your pre-scheduled monthly building fund payments please send an email to: cbeybilling@gmail.com

Shiurim:

The Rabbi will be hosting a webcast on hilchos Pesach, including kashering the kitchen. The day, time and access information will be announced by email in the next few days.

The Shul also has a number of regular shiurim that remain active by phone or computer. For the list of shiurim and access information, please visit the Shul's Website at www.cbey.org

Communitywide Emails:

We have all received the community-wide emails guiding us on the halachic issues we are now facing. While these emails are important, and serve to solidify the achdus and cohesiveness of the community's Rabbonim and the community as a whole, the Rav welcomes any questions our members may have about certain points or nuances and how it may apply to individuals and circumstances.
