NEW REGISTRATION SYSTEM TO MINYANIM

Only BAYT members and affiliates may register for minyanim. Room capacities have been severely limited during lockdown. We are capped at 10 persons only per room.

The link remains the same: <https://www.bayt.ca/new-sign-up-link.html>

Our minyanim are open to members only who are Bar or Bat Mitzvah age and older
Please follow the instructions at the top of the SignUp Genius page.

Most importantly: if you are feeling unwell for any reason, please do NOT come, even if this means that there won't be a minyan. Everyone's safety is more important than making the minyan.

Please Remember:

- All siddurim and seforim in the Bais Medrash are currently not available to be used or removed from shelves.
- As soon as the minyan has ended please exit the building as soon as possible to enable others in and the staff to clean

ANNOUNCEMENTS

BAYT COVID-19 PROTOCOLS

BAYT's COVID-19 Protocols incorporate Health Canada and Province of Ontario guidelines by reference.

Signing Up for a Minyan at BAYT

Members wishing to attend a minyan at BAYT should sign up in advance via SignUp Genius. Minyanim are open to members only. Please only sign up people from your household. When you sign up to attend a minyan at BAYT, you expressly agree to strictly follow BAYT's COVID-19 protocols without exception. Other shuls' protocols are not relevant to your decision to attend a minyan at BAYT. Please cancel your sign up and do not attend minyan if you are unable to attend for whatever reason.

While Attending a Minyan at BAYT

- Wear a face covering such as a non-medical mask (see below).
- Do not congregate with others during or after davening. Come to BAYT to daven and please leave quietly. The serving of any food or beverages (e.g., Kiddush Clubs) is not allowed at this time.
- Do not crowd when leaving BAYT. Please leave the building single file and socially distanced 2 metres apart. Once outside BAYT, please walk away from the doors so others can leave quickly and safely.
- Avoid touching doors and door handles. Doors through which you need to pass are open. Please do not touch the doors, as you may cause them to close. If a door is closed, please let the facilities staff know.
- Sit in designated seating. In the main shul, sit only in seats marked with green tape on back of the seat. Please do not sit alone in a group of green taped seats. Do not move chairs around in other minyanim.

When Not To Sign Up for or Attend a Minyan at BAYT

1. You or a "close contact" are awaiting a COVID test result;
2. you were in "close contact" with someone who tested positive for, or who has any symptoms of COVID-19;
3. you were in "close contact" with anyone in self-isolation (even if asymptomatic) including anyone in your household. This includes children in self-isolation due to a COVID-19 case in school or a carpool;
4. you have been outside of Canada within the past 14 days;
5. you were around others (e.g., workplace, other minyan or gathering) and did not practice proper social distancing and/or masking, even once, within the past 14 days; or
6. you feel unwell or have any acute illness, even if you or your doctor do not believe you have COVID-19.

"Close Contacts" Include

1. Someone with whom you have been within 2 metres for more than 10 minutes;
2. Someone who lives in your household or provides care to you;
3. Someone with whom you have had close physical contact including a handshake; or
4. Someone who accidentally coughed, sneezed or spit on you while talking with you.

If you or a "close contact" have any common symptoms of COVID-19, please get a COVID test, STAY HOME, self-isolate and advise "close contacts" with whom you were in close physical contact with in the prior 48 hours to monitor their health and to self isolate. Do not sign up for a minyan.

Face Coverings (Such as Non-Medical Masks)

The Province of Ontario Emergency Order requires the use of "a face covering (non-medical mask, such as a cloth mask) in public indoor spaces and whenever physical distancing is a challenge." with limited exception. Upon entry into and while inside BAYT everyone should wear a face covering such as a non-medical mask, including the ba'al tefillah (who leads prayers) and ba'al korei (who laysns from the sefer Torah).

Health Canada advises that a "non-medical mask or face covering" should:

- fit securely to the head with ties or ear loops;
- maintain its shape after washing and drying;
- be made of at least two layers of tightly woven material (such as cotton or linen); and
- be large enough to cover the nose and mouth completely and comfortably without gaping.

ANNOUNCEMENTS

Any type of plastic face shield or mouth/nose covering by itself does not replace a face covering or mask because it does not completely cover the nose, mouth and chin with a barrier that prevents spread of respiratory droplets. If you choose to wear either a plastic face shield or mouth/nose covering, you also need to wear a mask made of at least two layers of tightly woven material large enough to completely cover your nose and mouth without gaping.

The sole purpose of BAYT's COVID-19 Protocols is to keep our members and guests as safe as possible while at BAYT. Accordingly, BAYT cannot permit exceptions to our COVID-19 Protocols including our masking requirements.

Family and Guests Returning to or Entering Canada (even if partially or fully vaccinated)

Travellers returning to Canada must quarantine for 14 days whether arriving by air or road, whether they have been vaccinated, had a COVID infection or a negative COVID test result. Canada Border Services Agency (CBSA) advises all travellers upon entry to Canada that they must completely isolate during their 14-day quarantine period from anybody else in their household. If complete isolation is not possible, they are advised that other household members must also quarantine for the entire 14 days.

If you have anyone in your household returning to or entering Canada from abroad who are or will be in mandatory 14-day self-isolation, please do not sign up for or attend a minyan at BAYT unless they are completely isolated from the rest of your household for the entirety of the 14 days quarantine period. This applies even if he/she has been vaccinated, had a COVID infection or a negative COVID test.

Common Symptoms of COVID-19 Per the Ontario Ministry of Health

- fever (feeling hot to the touch, a temperature of 37.8 degrees Celsius or higher) or chills
- cough that's new or worsening (continuous, more than usual)
- barking cough, making a whistling noise when breathing (croup)
- shortness of breath (out of breath, unable to breathe deeply)
- sore throat, difficulty swallowing
- runny, stuffy, or congested nose (not related to seasonal allergies or other known causes or conditions)
- lost sense of taste or smell
- pink eye (conjunctivitis)
- headache that is unusual or long lasting
- digestive issues (nausea/vomiting, diarrhea, stomach pain)
- muscle aches
- extreme tiredness that is unusual (fatigue, lack of energy)
- falling down often
- for young children and infants: sluggishness or lack of appetite.

If you really have to think about it, you should stay home.

Report Illness and Positive COVID Test Results to BAYT Immediately

If you attended a minyan at BAYT, please let us know immediately if you receive a positive COVID-19 test result or if you have symptoms of COVID-19 and are awaiting a test result. BAYT will notify York Public Health of positive COVID cases brought to our attention. Two or more positive COVID test results among attendees of one minyan at BAYT can result in declaration of a legal "outbreak" by York Region Health mandating ALL persons who were in attendance self-isolate for 14 days, even those who practiced proper social distancing and masking.

PRESIDENT'S MESSAGE

Our son Zachary is active duty in the IDF's Kfir infantry. Zac's unit was deployed to Tapuach Junction on Monday. He tells us each night this week has grown more intense and longer in duration for his unit. They are well equipped and well trained, having been together for many months now. They are a pack. Zac is in good spirits knowing he has a job to do for which success is not optional. When I ask him how he is doing, Zac simply replies, "Busy," or "A cold beer would be nice."

Zac's roommate, Tani Rosenzweig is deployed elsewhere in the country. I apologize for not mentioning other BAYT families and former families with children have been deployed into combat. May Hashem protect our soldiers and all of Israel.

In Israel, life goes on as much as possible. Our good friends (and Zachary's foster parents in Medinat Yisrael), Ernest and Aviva Segal live in Modi'in. Every night this week, the missile alert sent them to their safe room. Monday night, Ernest witnessed a successful Iron Dome launch from his office in Petah Tikva.

The Segal's regularly brought 'care' packages to Zac at his last base off of the 443. When I asked Ernest when he was going to bring a smoked BBQ brisket to Tapuach, he graciously declined, "Not right now." This morning, Aviva messaged me that she is putting together a care package.

A special shout out to fellow Bostonian Rabbi Yisroel Goldman of Kollel Ohr Yoseph. He asked me for Zac's Hebrew name so the Kollel could recite Tehillim for Zac, all of our chayalim and our brothers and sisters in Israel.

This Shabbat and Shavuot, daven hard. Learn hard. Drink wine from Israel. Eat dairy from Israel. Do it for our chayalim and all of our brothers and sisters living where we belong.

Shabbat Shalom and Chag Sameach.

Jeffrey M. Brown, President

KELIM MIKVAH UPDATE:

DUE TO THE NEW LOCKDOWN THE KELIM MIKVAH WILL BE CLOSED NEXT WEEK

DVAR TORAH BY RABBI METZGER

cmetzger@torontotorah.com

Why does G-d count the Jewish people so many times?

G-d counted Bnei Yisrael when they left Egypt, after they sinned at the Golden Calf, on Rosh Chodesh Nissan of the beginning of the second year, and this week on the first of Iyar to start off the book of Bamidbar, Numbers.

Rashi explains that it is out of G-d's love for the Jewish nation that He counts them at every possible significant moment. The entirety of the Omer time period and the daily counting of the Omer relate to this idea as well. We count the days between leaving Egypt on Pesach and receiving the Torah on Shavuot, with each and every day adding to the experience. Unfortunately, over the past year many of the countings that we have heard have been of tragedy and mourning. May we merit some day soon to continue counting positively, to know what we have gained and not what we have lost.

WEEKLY HALACHAH

R' Mordechai Torczyner – torczyner@torontotorah.com

Is there value in saying Yizkor alone on the second day of Shavuot?

Yizkor began as a prayer recited in Ashkenazi communities on Shabbat, apparently in memory of Jews killed in the Crusades. [This continues in our weekly recitation of Av haRachamim.] Over time, Yizkor was added for Yom Kippur, and then to the last day of each Yom Tov. Eventually, the practice spread to Sephardic countries as well. The two main goals of Yizkor are for the prayer to inspire repentance in the living, and for the tzedakah pledged to benefit the souls of those who have passed on.

There is good reason to recite Yizkor on Yom Tov, even alone. First, no minyan is required. Second, there are reasons to recite Yizkor on Yom Tov, specifically. These include:

- Halachic authorities link the Yizkor pledge with a sentence we read at the end of keriat hatorah on the last day of Yom Tov (outside Israel), “They shall not appear before Me empty-handed; each according to the gift of his hand, according to the blessing that Hashem your Gd has given you.” (Devarim 6:16-17)
- The end of Yom Tov is a propitious time for repentance. This is linked to Mishlei 14:13, “And the end of joy is sorrow,” suggesting that the descent from celebration at the end of Yom Tov may lead to productive introspection.
- Some suggest that Yom Tov is an appropriate time for Yizkor because mystics say that the souls of those who have passed on are present on those days.

Therefore, one who participates in a communal Yizkor in advance of Yom Tov may still wish to repeat it on Yom Tov itself. No additional pledge of tzedakah would be required.
