### **ILLUMINATE YOUR DAY**

**Why is Aharon commanded to light the Menorah immediately following the celebration of the Nesiim?**

Rashi explains that Aharon felt left out the celebrations of the Nesiim. Now Hashem is giving him encouragement saying that Aharon's portion is greater than the Nesiim, for although they got a holiday, Aharon's daily lighting of the Menorah is more precious.

When there are once in a lifetime events it is very easy to get excited about them. On the other hand, daily obligations can be far more challenging to fulfill. The Sfot Emet, Rabbi Yehudah Aryeh Leib Alter, explains that Aharon was uniquely devoted to G-d and had the same degree of excitement every single day as if it was his very first day that G-d commanded him to light the Menorah.

While many of us don't intrinsically have the devotion of Aharon, we have been given an opportunity to look back at our daily routines once they have been interrupted by Covid-19. May we merit one day soon to return to our daily routines and yet still have the same enthusiasm as if it is our very first time.

## BAYT COVID-19 PROTOCOLS

*BAYT's COVID-19 Protocols incorporate Health Canada and Province of Ontario guidelines by reference.*

### Signing Up for a Minyan at BAYT

Members wishing to attend a minyan at BAYT should sign up in advance via SignUp Genius. Minyanim are open to members only. Please only sign up people from your household. When you sign up to attend a minyan at BAYT, you expressly agree to strictly follow BAYT's COVID-19 protocols without exception. Other shuls' protocols are not relevant to your decision to attend a minyan at BAYT. Please cancel your sign up and do not attend minyan if you are unable to attend for whatever reason.

### While Attending a Minyan at BAYT

- Wear a face covering such as a non-medical mask (see below).
- Do not congregate with others during or after davening. Come to BAYT to daven and please leave quietly. The serving of any food or beverages (e.g., Kiddush Clubs) is not allowed at this time.
- Do not crowd when leaving BAYT. Please leave the building single file and socially distanced 2 metres apart. Once outside BAYT, please walk away from the doors so others can leave quickly and safely.
- Avoid touching doors and door handles. Doors through which you need to pass are open. Please do not touch the doors, as you may cause them to close. If a door is closed, please let the facilities staff know.
- Sit in designated seating. In the main shul, sit only in seats marked with green tape on back of the seat. Please do not sit alone in a group of green taped seats. Do not move chairs around in other minyanim.

### When Not To Sign Up for or Attend a Minyan at BAYT

1. You or a "close contact" are awaiting a COVID test result;
2. you were in "close contact" with someone who tested positive for, or who has any symptoms of COVID-19;
3. you were in "close contact" with anyone in self-isolation (even if asymptomatic) including anyone in your household. This includes children in self-isolation due to a COVID-19 case in school or a carpool;
4. you have been outside of Canada within the past 14 days;
5. you were around others (e.g., workplace, other minyan or gathering) and did not practice proper social distancing and/or masking, even once, within the past 14 days; or
6. you feel unwell or have any acute illness, even if you or your doctor do not believe you have COVID-19.

### "Close Contacts" Include

1. Someone with whom you have been within 2 metres for more than 10 minutes;
2. Someone who lives in your household or provides care to you;
3. Someone with whom you have had close physical contact including a handshake; or
4. Someone who accidentally coughed, sneezed or spit on you while talking with you.

If you or a "close contact" have any common symptoms of COVID-19, please get a COVID test, STAY HOME, self-isolate and advise "close contacts" with whom you were in close physical contact with in the prior 48 hours to monitor their health and to self isolate. Do not sign up for a minyan.

### Face Coverings (Such as Non-Medical Masks)

The Province of Ontario Emergency Order requires the use of "a face covering (non-medical mask, such as a cloth mask) in public indoor spaces and whenever physical distancing is a challenge." with limited exception. Upon entry into and while inside BAYT everyone should wear a face covering such as a non-medical mask, including the ba'al tefillah (who leads prayers) and ba'al korei (who laysns from the sefer Torah).

Health Canada advises that a "non-medical mask or face covering" should:

- fit securely to the head with ties or ear loops;
- maintain its shape after washing and drying;
- be made of at least two layers of tightly woven material (such as cotton or linen); and
- be large enough to cover the nose and mouth completely and comfortably without gaping.

# ANNOUNCEMENTS

Any type of plastic face shield or mouth/nose covering by itself does not replace a face covering or mask because it does not completely cover the nose, mouth and chin with a barrier that prevents spread of respiratory droplets. If you choose to wear either a plastic face shield or mouth/nose covering, you also need to wear a mask made of at least two layers of tightly woven material large enough to completely cover your nose and mouth without gaping.

The sole purpose of BAYT's COVID-19 Protocols is to keep our members and guests as safe as possible while at BAYT. Accordingly, BAYT cannot permit exceptions to our COVID-19 Protocols including our masking requirements.

## **Family and Guests Returning to or Entering Canada (even if partially or fully vaccinated)**

Travellers returning to Canada must quarantine for 14 days whether arriving by air or road, whether they have been vaccinated, had a COVID infection or a negative COVID test result. Canada Border Services Agency (CBSA) advises all travellers upon entry to Canada that they must completely isolate during their 14-day quarantine period from anybody else in their household. If complete isolation is not possible, they are advised that other household members must also quarantine for the entire 14 days.

If you have anyone in your household returning to or entering Canada from abroad who are or will be in mandatory 14-day self-isolation, please do not sign up for or attend a minyan at BAYT unless they are completely isolated from the rest of your household for the entirety of the 14 days quarantine period. This applies even if he/she has been vaccinated, had a COVID infection or a negative COVID test.

## **Common Symptoms of COVID-19 Per the Ontario Ministry of Health**

- fever (feeling hot to the touch, a temperature of 37.8 degrees Celsius or higher) or chills
- cough that's new or worsening (continuous, more than usual)
- barking cough, making a whistling noise when breathing (croup)
- shortness of breath (out of breath, unable to breathe deeply)
- sore throat, difficulty swallowing
- runny, stuffy, or congested nose (not related to seasonal allergies or other known causes or conditions)
- lost sense of taste or smell
- pink eye (conjunctivitis)
- headache that is unusual or long lasting
- digestive issues (nausea/vomiting, diarrhea, stomach pain)
- muscle aches
- extreme tiredness that is unusual (fatigue, lack of energy)
- falling down often
- for young children and infants: sluggishness or lack of appetite.

If you really have to think about it, you should stay home.

## **Report Illness and Positive COVID Test Results to BAYT Immediately**

If you attended a minyan at BAYT, please let us know immediately if you receive a positive COVID-19 test result or if you have symptoms of COVID-19 and are awaiting a test result. BAYT will notify York Public Health of positive COVID cases brought to our attention. Two or more positive COVID test results among attendees of one minyan at BAYT can result in declaration of a legal "outbreak" by York Region Health mandating ALL persons who were in attendance self-isolate for 14 days, even those who practiced proper social distancing and masking.

## PRESIDENT'S MESSAGE

It is Friday morning as I write this. Shimon and Avital are not going to be happy with me (join the club).

This year's audit has been slower than expected. A combination of a new auditor, their inability to work on site (COVID rules) and transition within our already stretched internal accounting function. I called an all-hands-on deck meeting a couple of weeks ago with the auditors, our outgoing Treasurer Danny Diamond, our past and incoming Treasurer Eldon Moses, and our new internal accountant Terry Rubinstein. We mapped out the open items and have been chipping away since. I believe we are close in large part due to Terry's work with Danny. We need the Board to approve the statements before we can present them at the Annual General Meeting.

Years ago, I was BAYT Treasurer. Then Executive Director Andi Marcus prepared a concise, timely financial report for me to review at each Board meeting. Our search for an internal accountant took some time; I had a benchmark in mind based on my work as Treasurer. Terry comes to BAYT with relevant experience from his years in University of Toronto administration. Avital, Terry, Danny, Eldon, and I agreed to re-implement that old yet proven financial reporting mechanism for our July Board meeting.

As other BAYT members who are partners in public accounting firms can attest, our profession is experiencing an acute shortage of accounting graduates and CPA candidates. And from that pool, many choose to exit the profession after just a few years for industry or the private or not for profit sector.

Many of you know that I always try to help people with job search if its related to accounting, finance, or law. For those of you contemplating a university major, I urge you to consider accounting. For recent graduates facing potentially chronic underemployment or others in transition, consider post-graduate study in accounting. Our work is vital for our clients, the financial markets, and the Crown. Ours is an honourable profession in which you can make a comfortable living. And good accountants are pretty much recession proof.

My first year as your President is near an end. While we accomplished quite a bit, we have much more to do. Membership. Potential site development. Catering. Reopening plans. Enhanced programming. Community relations. I have much to report and I acknowledge your queries. Once our audit is complete, I will prepare the President's report on my first year and our plans, goals and vision heading into my second term.

Shabbat Shalom.

Jeffrey M. Brown, President

## WEEKLY HALACHAH

R' Mordechai Torczyner – [torczyner@torontotorah.com](mailto:torczyner@torontotorah.com)

**What berachah does one recite before eating a wrap?**

We recite the berachah of “HaMotzi” before eating bread; bread is defined as a baked, grain-based dough which people use as a central part of a full meal.

On the other hand, some baked, grain-based doughs are normally eaten as snack food; this is called pat haba'ah b'kisinin. This type of in-between food may include:

- Dough kneaded with spices and sweeteners;
- Dough shaped into pockets filled with honey, nuts and spices;
- Dough baked as a dry cracker.

Before snacking on pat haba'ah b'kisinin, we recite the berachah of “Borei minei mezonot”. However, one who chooses to eat this product as a central part of a full meal should recite “HaMotzi”.

Wraps don't fit into the three “in-between” examples outlined above, but some expand the list of pat haba'ah b'kisinin to include any baked, grain-based dough which is normally eaten as a snack. This leads some people to recite “Mezonot” before snacking on wraps.

Rabbi Korobkin's view is that one should recite “HaMotzi” for grain-based wraps which hold the types of food that are found on sandwiches.

Note: Corn tortillas are not subject to the rules above; the berachah for such a wrap is always “Shehakol”.

(Berachot 41b-42a and Rashi there; Rashba Berachot 38b “keivan”, Beit Yosef Orach Chaim 168:7; Shulchan Aruch Orach Chaim 168:6-8,13; Derech haChaim pg. 76; Aruch haShulchan Orach Chaim 168:23)

## BROTHERHOOD MESSAGE

The BAYT Brotherhood celebrated the 25th anniversary of our annual Siyum HaTanach. This year, we honored the memory of our beloved founder of the Siyum, Rabbi Yehoshua Arye ben Yoel Zisman Rosenberg z"l. We were honoured to have Rabbi Aaron Eisenberg lead our siyum this year and we look forward to Rabbi Eisenberg leading our siyum for many years to come.

A huge thank you to our Rav and Jeffrey Brown for their continued support of the Brotherhood. Also, I must thank Rosy Rosenzweig, Moishe Posner, Chuck English and Mitch Silverstein for their support to make this event an amazing success! Yishar Koach!

I would like to thank the almost 200 hundred sponsors for this amazing event. We are grateful that you have sponsored our siyum and speaks volumes of our love for Rabbi Rosenberg and the Siyum haTanach.

Finally, I would like to thank the 109 participants who committed to learn Torah so we could complete all of Tanach and more on Shavuot. This program is exactly what the BAYT stands for and as President of Brotherhood, it is always my proudest moment of the year.

This year, we chose to give out Rabbi Jonathan Sacks' Judaism's Life-Changing Ideas: A Weekly Reading of the Jewish Bible. Sponsors and participants are to receive a copy of the book, one per family. **If you have not picked it up yet, please come on this Sunday, May 30 from 9AM to 11AM.**

May your learning and sponsoring of the Siyum haTanach bring security to our brothers and sisters in Israel and may we be together IN OUR BEAUTIFUL HOME, THE BAYT, IN PERSON.

CRAIG GUTTMANN

BROTHERHOOD PRESIDENT

## D'VAR TORAH FOR PARSHAS BEHA'ALOSCHA

This story started all the way back in Egypt, when A new king came to Mitzrayim, and enslaved Bnei Yisrael. But, Hashem saved them from mitzrayim with great miracles and great plagues. When Bnei Yisrael was freed, the Egyptians chased after them to bring them back, but Hashem saved them again. Then, right after Hashem miraculously saved them, they complained for the SECOND time about food. That is how we got here. In this parsha Bnei Yisrael complains to Hashem because they want meat. I think this is crazy because Hashem just gave them the Torah, just saved them from the horrors of Egypt, split the red sea, and they are still complaining!!!! The complaining was so bad, that Moshe even asked Hashem to kill him! But, maybe this complaint is coming from a different perspective. Maybe, deep inside, they are actually saying they want control over their lives.. Hashem tells Bnei Yisrael not to worry, and to have faith in him, and he will protect them and take them to the promised land. But, Bnei Yisrael might not like this. They might be complaining because they want to control what they eat, what they do, their own laws, and doing things when they want it and how they want it. That is my point of view of the complaining of Bnei Yisrael in this week's parsha.
