ANNOUNCEMENTS

BAYT COVID-19 PROTOCOLS

BAYT's COVID-19 Protocols incorporate Health Canada and Province of Ontario guidelines by reference.

Signing Up for a Minyan at BAYT

Members wishing to attend a minyan at BAYT should sign up in advance via SignUp Genius. Minyanim are open to members only. Please only sign up people from your household. When you sign up to attend a minyan at BAYT, you expressly agree to strictly follow BAYT's COVID-19 protocols without exception. Other shuls' protocols are not relevant to your decision to attend a minyan at BAYT. Please cancel your sign up and do not attend minyan if you are unable to attend for whatever reason.

While Attending a Minyan at BAYT

- Wear a face covering such as a non-medical mask (see below).
- Do not congregate with others during or after davening. Come to BAYT to daven and please leave quietly. The serving of any food or beverages (e.g., Kiddush Clubs) is not allowed at this time.
- Do not crowd when leaving BAYT. Please leave the building single file and socially distanced 2 metres apart. Once outside BAYT, please walk away from the doors so others can leave quickly and safely.
- Avoid touching doors and door handles. Doors through which you need to pass are open. Please do not touch the doors, as you may cause them to close. If a door is closed, please let the facilities staff know.
- Sit in designated seating. In the main shul, sit only in seats marked with green tape on back of the seat. Please do not sit alone in a group of green taped seats. Do not move chairs around in other minyanim.

When Not To Sign Up for or Attend a Minyan at BAYT

1. You or a "close contact" are awaiting a COVID test result;
2. you were in "close contact" with someone who tested positive for, or who has any symptoms of COVID-19;
3. you were in "close contact" with anyone in self-isolation (even if asymptomatic) including anyone in your household. This includes children in self-isolation due to a COVID-19 case in school or a carpool;
4. you have been outside of Canada within the past 14 days;
5. you were around others (e.g., workplace, other minyan or gathering) and did not practice proper social distancing and/or masking, even once, within the past 14 days; or
6. you feel unwell or have any acute illness, even if you or your doctor do not believe you have COVID-19.

"Close Contacts" Include

1. Someone with whom you have been within 2 metres for more than 10 minutes;
2. Someone who lives in your household or provides care to you;
3. Someone with whom you have had close physical contact including a handshake; or
4. Someone who accidentally coughed, sneezed or spit on you while talking with you.

If you or a "close contact" have any common symptoms of COVID-19, please get a COVID test, STAY HOME, self-isolate and advise "close contacts" with whom you were in close physical contact with in the prior 48 hours to monitor their health and to self isolate. Do not sign up for a minyan.

Face Coverings (Such as Non-Medical Masks)

The Province of Ontario Emergency Order requires the use of "a face covering (non-medical mask, such as a cloth mask) in public indoor spaces and whenever physical distancing is a challenge." with limited exception. Upon entry into and while inside BAYT everyone should wear a face covering such as a non-medical mask, including the ba'al tefillah (who leads prayers) and ba'al korei (who laysns from the sefer Torah).

Health Canada advises that a "non-medical mask or face covering" should:

- fit securely to the head with ties or ear loops;
- maintain its shape after washing and drying;
- be made of at least two layers of tightly woven material (such as cotton or linen); and
- be large enough to cover the nose and mouth completely and comfortably without gaping.

ANNOUNCEMENTS

Any type of plastic face shield or mouth/nose covering by itself does not replace a face covering or mask because it does not completely cover the nose, mouth and chin with a barrier that prevents spread of respiratory droplets. If you choose to wear either a plastic face shield or mouth/nose covering, you also need to wear a mask made of at least two layers of tightly woven material large enough to completely cover your nose and mouth without gaping.

The sole purpose of BAYT's COVID-19 Protocols is to keep our members and guests as safe as possible while at BAYT. Accordingly, BAYT cannot permit exceptions to our COVID-19 Protocols including our masking requirements.

Family and Guests Returning to or Entering Canada (even if partially or fully vaccinated)

Travellers returning to Canada must quarantine for 14 days whether arriving by air or road, whether they have been vaccinated, had a COVID infection or a negative COVID test result. Canada Border Services Agency (CBSA) advises all travellers upon entry to Canada that they must completely isolate during their 14-day quarantine period from anybody else in their household. If complete isolation is not possible, they are advised that other household members must also quarantine for the entire 14 days.

If you have anyone in your household returning to or entering Canada from abroad who are or will be in mandatory 14-day self-isolation, please do not sign up for or attend a minyan at BAYT unless they are completely isolated from the rest of your household for the entirety of the 14 days quarantine period. This applies even if he/she has been vaccinated, had a COVID infection or a negative COVID test.

Common Symptoms of COVID-19 Per the Ontario Ministry of Health

- fever (feeling hot to the touch, a temperature of 37.8 degrees Celsius or higher) or chills
- cough that's new or worsening (continuous, more than usual)
- barking cough, making a whistling noise when breathing (croup)
- shortness of breath (out of breath, unable to breathe deeply)
- sore throat, difficulty swallowing
- runny, stuffy, or congested nose (not related to seasonal allergies or other known causes or conditions)
- lost sense of taste or smell
- pink eye (conjunctivitis)
- headache that is unusual or long lasting
- digestive issues (nausea/vomiting, diarrhea, stomach pain)
- muscle aches
- extreme tiredness that is unusual (fatigue, lack of energy)
- falling down often
- for young children and infants: sluggishness or lack of appetite.

If you really have to think about it, you should stay home.

Report Illness and Positive COVID Test Results to BAYT Immediately

If you attended a minyan at BAYT, please let us know immediately if you receive a positive COVID-19 test result or if you have symptoms of COVID-19 and are awaiting a test result. BAYT will notify York Public Health of positive COVID cases brought to our attention. Two or more positive COVID test results among attendees of one minyan at BAYT can result in declaration of a legal "outbreak" by York Region Health mandating ALL persons who were in attendance self-isolate for 14 days, even those who practiced proper social distancing and masking.

ANNOUNCEMENTS

PRESIDENT'S MESSAGE

Rabbi Korobkin and I usually speak at least once or twice every weekday, even when he is out of town or on his day off. We always have something to discuss. He helps me help you. I help him help you. And he always reminds me to behave myself (but not the other way around). This week was different. We all wish we could be there for Rabbi Korobkin and his family. But he knows our thoughts are with him.

Minyanim

Our Parnas, David Kaplan, has been exemplary managing our minyanim day in and day out with no time off since the beginning of the pandemic. Our facilities team sanitizes each room between minyanim. Our COVID committee keeps us up to date with seemingly ever-changing government regulations.

Whether we like it or not, each minyan is capped at 10 indoors or outside. That's the way it is. BAYT does not make, nor will we break, provincial regulations. To that end, we expect a few things from those who attend minyanim at BAYT: (1) follow our COVID protocols including signing up for and cancelling a minyan spot, (2) actually show up and (3) show up on time.

When we count the men for a minyan, we use the pasuk *Hoshia et amecha...ad olam* or 'save Your nation, and bless Your people, enlighten and elevate them', *ad olam*. That last word, *olam*, means 'infinitely' but it also means 'the world'. When you sign up to be part of a minyan, nine others are counting on you. For anyone who has ever said Kaddish for a parent, a sibling or *lo aleinu*, a child, being able to say that Kaddish means the world, and your presence there means the world to them. So please, if you sign up, show up. It means the world to all of us.

And please sign up for minyanim in the Chuppah Garden. We are Canadian. It's not that cold!

Important Upcoming Events

The Canadian Yoatzot Initiative, Nishmat, and Mizrahi Canada are hosting a four-day virtual conference, *The Dr. Celeste Massouda-Jacobs, z"l Global Family Health and Halacha Conference from May 2 through 5*. Please register at: <https://healthandhalacha.com/>.

FROM JOY TO SADNESS

Why is the time of Sefirat HaOmer a time of mourning?

Currently we are in the middle of Sefirat HaOmer, counting up from Pesach until Shavuot. Ramban in this week's Parshah explains that the time period of the Omer was meant to be a happy time akin to Chol Hamoed. Everyone is joyously collecting their hard-earned crops from the fields and getting ready to bring the first of them as Bikkurim to the Beit Hamikdash. How did this holiday become marked so solemnly?

The Gemara Yevamot 62b explains that during this time period from Pesach until Shavuot 12,000 pairs of Rabbi Akiva's students died of plague for not honoring one another. Rabbi Yehuda Loeb, the Maharal miPrague, explains that this is because honoring your friend is the essence of life. The process of learning together about how to live one's life in Orchot Chaim, the Paths of Life through Torah and Mitzvot, should bring one to respect and acknowledge another. When the process causes the opposite, the only possible result is their unfortunate end. May we merit to only grow and respect one another through our learning so that Torah remains a source of life.

WEEKLY HALACHAH

R' Mordechai Torczyner – torczyner@torontotorah.com

Why do we customarily eat dairy on Shavuot?

Numerous reasons are suggested for this practice, including:

- To ensure that we eat two distinct cooked foods, constituting a feast. We eat a meat meal for the general mitzvah of eating meat on Yom Tov, and having a separate dairy meal will introduce a second cooked food.
- Because we will have separate meat and dairy meals, we will necessarily eat from at least two distinct loaves of bread. These two loaves of bread represent the two loaves of bread brought as a korban on Shavuot. (Rama Orach Chaim 494:3, and see Igrot Moshe Orach Chaim 1:160)
- On Shavuot we celebrate the presentation of the Torah. After the Torah was given, the Jews would have needed many steps to make a meat meal, both in preparing the meat and in preparing new utensils. Therefore, they made a dairy meal, which required fewer steps. (Mishneh Berurah 494:12)
- Commentators explain the verse, "Honey and milk are beneath your tongue (Shir haShirim 4:11)", to refer to Torah, which we celebrate on Shavuot. (Mishneh Berurah 494:13; and see Devarim Rabbah 7:3)

According to Rama (Yoreh Deah 97:1), some people actually bake dairy bread for the dairy meal of Shavuot. Even though we are normally prohibited from having dairy bread [lest one eat it with meat], this is not a concern at the dairy meal of Shavuot, since a limited quantity is prepared, and it is consumed at a prescribed time.

Q: What happened after David had his ID stolen?

A: We had to call him Dav.

Hebrew Word of the Week:

D'VAR TORAH FOR PARSHAS EMOR

In this weeks Parsha, parshat Emor, it speaks about some of the Chagim. After talking about Shavuot, it moves on to start speaking about Rosh Hashanah. But in between it talks about harvesting your field. It says that you should leave the corners for the poor. This seems to not be in the right place.

Why is it talking about one holiday and then the other but in between *discussing the two holidays* the Torah starts talking about something completely different and seems to not be related?

The reason is, on Shavuot we accept the Torah. But, we cannot accept the Torah, the Torah of Chesed, without remembering the poor people and taking care of them.

The same reason that on Purim, when we accept the Torah with joy, we are still required to remember the poor people and have the obligation to give Matanot L'Evyonim.

We see that we cannot accept the Torah without the obligation of taking care and remembering of the poor people, because our Torah is of Chesed, kindness
